## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-102615; File No. SR-CBOE-2025-013]

### Self-Regulatory Organizations; Cboe Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Its Rules Related to the Preferred Market-Maker (“PMM”) Participation Entitlement

March 12, 2025.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on February 25, 2025, Cboe Exchange, Inc. (the “Exchange” or “Cboe Options”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Item I below, which Item has been substantially prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 5.32 (Order and Quote Book Processing, Display, Priority, and Execution) to amend the participation entitlement percentages for Preferred Market-Makers (“PMMs”) to apply a 60/40 participation entitlement percentage structure, change how the System rounds fractional fills resulting from the PMM participation entitlement percentage structure for orders of more than one contract, and amend the rules so that a PMM will receive, at the very least, one contract under the participation entitlement, if the PMM has a quote at the best price (*i.e.*, highest bid or lowest offer). The text of the proposed rule change is provided in Exhibit 5.

The proposed rule change, including the Exchange’s statement of the purpose of, and statutory basis for, the proposed

rule change, is available on the Exchange’s website at <http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx> and on the Commission’s website at [https://www.sec.gov/rules-regulations/self-regulatory-organization-rulemaking/national-securities-exchanges?file\\_number=SR-CBOE-2025-013](https://www.sec.gov/rules-regulations/self-regulatory-organization-rulemaking/national-securities-exchanges?file_number=SR-CBOE-2025-013).

#### II. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

CBOE has filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act<sup>3</sup> and Rule 19b-4(f)(6)<sup>4</sup> thereunder. Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; or (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>5</sup> and Rule 19b-4(f)(6)<sup>6</sup> thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)<sup>7</sup> normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),<sup>8</sup> the Commission may designate a shorter time if such action is consistent with protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposed rule change may become operative immediately upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because it furthers the intent of the PMM participation entitlement (*i.e.*, provide PMMs with a more consistent benefit for their heightened quoting obligations)—which the Exchange may result in greater liquidity and more trading opportunities, to the benefit of investors—and does not introduce any novel regulatory issues. Accordingly, the Commission designates the

proposed rule change to be operative upon filing.<sup>9</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

#### III. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act.<sup>10</sup> Comments may be submitted electronically by using the Commission’s internet comment form ([https://www.sec.gov/rules-regulations/self-regulatory-organization-rulemaking/national-securities-exchanges?file\\_number=SR-CBOE-2025-013](https://www.sec.gov/rules-regulations/self-regulatory-organization-rulemaking/national-securities-exchanges?file_number=SR-CBOE-2025-013)) or by sending an email to [rule-comments@sec.gov](mailto:rule-comments@sec.gov). Please include file number SR-CBOE-2025-013 on the subject line. Alternatively, paper comments may be sent to Secretary, Securities and Exchange Commission, 100 F Street NE, Washington, DC 20549-1090. All submissions should refer to file number SR-CBOE-2025-013. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission’s internet website ([https://www.sec.gov/rules-regulations/self-regulatory-organization-rulemaking/national-securities-exchanges?file\\_number=SR-CBOE-2025-013](https://www.sec.gov/rules-regulations/self-regulatory-organization-rulemaking/national-securities-exchanges?file_number=SR-CBOE-2025-013)). Do not include personal identifiable information in submissions; you should submit only information that you wish to make available

<sup>9</sup> For purposes only of waiving the 30-day operative delay, the Commission also has considered the proposed rule’s impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

<sup>10</sup> Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for website viewing and printing in the Commission’s Public Reference Room, 100 F Street NE, Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of the filing also will be available for inspection and copying at the principal office of SRO.
