Selection and Functions of Farm Service Agency State and County Committees

AGENCY: Office of the Secretary, USDA.

ACTION: Proposed rule; correction.

SUMMARY: This document corrects a proposed rule published November 28, 2006, proposing to amend the regulations governing the selection and functions of Farm Service Agency (FSA) State and county committees in accordance with the Soil Conservation and Domestic Allotment Act, as amended. A correction is needed because the proposed rule incorrectly stated the duties of the State committees.

DATES: Effective Date: January 12, 2007.

FOR FURTHER INFORMATION CONTACT: Tom Witzig, Regulatory Review Group, Economic and Policy Analysis Staff, Farm Service Agency (FSA), United States Department of Agriculture (USDA), Stop 0572, 1400 Independence Ave., SW., Washington, DC 20250-0572. Telephone: (202) 205-5851; e-mail: Tom.Witzig@wdc.usda.gov. Persons with disabilities who require alternative means for communication (Braille, large print, audio tape, etc.) should contact the USDA Target Center at (202) 720-2600 (voice and TDD).

SUPPLEMENTARY INFORMATION: This rule corrects the proposed rule published in the **Federal Register** on November 28, 2006 (71 FR 68755) proposing to amend the regulations governing the selection and functions of FSA State and county committees. In FR Doc. E6-20052, section 7.22 stated that the State committees "shall be generally responsible for carrying out in the State all farm programs and farm loan programs or any other functions assigned by the Secretary or a designee

of the Secretary." In fact, the State committees currently are not, and are not proposed to be, responsible for carrying out farm loan programs. This document corrects the proposed rule to remove the reference to farm loan programs.

In proposed rule FR Doc. E6-20052 published on November 28, 2006 (71 FR 68755) make the following correction. On page 68761, in the first column, revise § 7.22 to read as follows:

§ 7.22 State committee duties.

The State committee, subject to the general direction and supervision of the Deputy Administrator, shall be generally responsible for carrying out in the State all farm programs or any other functions assigned by the Secretary or a designee of the Secretary.

Signed in Washington, DC, on January 4, 2007.

Mike Johanns,

Secretary of Agriculture.

Airworthiness Directives; Airbus Model A318, A319, A320, and A321 Airplanes

AGENCY: Federal Aviation Administration (FAA), Department of Transportation (DOT).

ACTION: Notice of proposed rulemaking (NPRM).

SUMMARY: The FAA proposes to supersede an existing airworthiness directive (AD) that applies to certain Airbus Model A318-100, A319-100, A320-200, A321-100, and A321-200 series airplanes; and Model A320-111 airplanes. The existing AD currently requires modification of the electrical bonding of all structures and systems installed inside the center fuel tank. That AD results from fuel system reviews conducted by the manufacturer. This proposed AD would require modification of additional bonding points inside the center fuel tank. This

proposed AD results from a report that additional bonding points need to be modified in order to prevent electrical arcing in the center fuel tank. We are proposing this AD to prevent electrical arcing in the center fuel tank due to inadequate bonding, which could result in an explosion of the center fuel tank and consequent loss of the airplane.

DATES: We must receive comments on this proposed AD by February 12, 2007.
