DEPARTMENT OF THE INTERIOR**Fish and Wildlife Service****Notice of Intent To Prepare a Comprehensive Conservation Plan and Environmental Assessment for the Long Lake National Wildlife Refuge Complex, Moffit, ND****AGENCY:** Fish and Wildlife Service, Interior.**ACTION:** Notice of intent.

SUMMARY: The U.S. Fish and Wildlife Service intends to gather information necessary to prepare a Comprehensive Conservation Plan and associated environmental documents for the Long Lake National Wildlife Refuge Complex located in central North Dakota. The Service is issuing this notice in compliance with its policy to advise other organizations and the public of its intentions and to obtain suggestions and information on the scope of issues to be considered in the planning process.

DATES: Written comments should be received by July 1, 2004.

ADDRESSES: Comments and requests for more information should be sent to: Long Lake NWR Planning Project, 12000 353rd Street SE, Moffit, ND 58560-9740.

FOR FURTHER INFORMATION CONTACT:

Linda Kelly, Refuge Planner, Division of Refuge Planning, PO Box 25486, DFC, Denver, CO 80225; (303) 236-8132.

SUPPLEMENTARY INFORMATION: The Service has initiated comprehensive conservation planning for the Long Lake National Wildlife Refuge Complex for the management of its natural resources. This Refuge is located in central North Dakota.

Comprehensive planning will develop management goals, objectives, and strategies to carry out the purposes of the Complex's refuges and Wetland Management District, and comply with laws and policies governing refuge management and public use of refuges. Opportunities will be provided for public input at open houses to be held near Long Lake Refuge.

All information provided voluntarily by mail, phone, or at public meetings becomes part of the official public record (*i.e.*, names, addresses, letters of comment, input recorded during meetings). If requested under the Freedom of Information Act by a private citizen or organization, the Service may provide copies of such information.

The environmental impact assessment of this project will be conducted in accordance with the requirements of the National Environmental Policy Act of 1969, as amended (42 U.S.C. 4321 *et seq.*), NEPA Regulations (40 CFR 1500-1508), other appropriate Federal laws and regulations, Executive Order 12996, the National Wildlife Refuge System Improvement Act of 1997, and Service policies and procedures for compliance with those regulations.

Dated: March 3, 2004.

Ralph O. Morgenweck,

Regional Director, Denver, Colorado.

Notice of Public Meetings; Notice of Intent to Amend the Caliente Management Framework Plan, Schell Management Framework Plan, Tonopah Resource Management Plan, and the Las Vegas Resource Management Plan; Nevada

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The Bureau of Land Management (BLM) has received an application from the Department of Energy (DOE) to withdraw certain public lands from surface entry and mining for a period of 20 years. The purpose of the withdrawal is to evaluate the lands for the potential construction, operation, and maintenance of a branch rail line (Caliente Rail Corridor) for transportation of spent nuclear fuel and high-level radioactive waste to a geologic repository at Yucca Mountain. Because the proposed withdrawal exceeds 5,000 acres, at least one public meeting is required. The BLM may need to amend four land use plans in order to address the proposed construction, operation, and maintenance of a branch rail line to support the DOE project.

As an alternative to the issuance of a withdrawal under Section 204 of the Federal Land Policy and Management Act of 1976, the BLM could potentially issue a linear right-of-way under Title V of the Federal Land Policy and Management Act.

This notice announces that the BLM will hold two scoping meetings on the
