Heavy Forged Hand Tools, Finished or Unfinished, With or Without Handles From the People's Republic of China: Final Results of the Expedited Fifth Sunset Review of the Antidumping Duty Orders

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) finds that revocation of the antidumping duty orders on heavy forged hand tools, finished or unfinished, with or without handles (HFHTs) from the People's Republic of China (China) would be likely to lead to continuation or recurrence of dumping at the levels indicated in the "Final Results of Sunset Review" section of this notice.

DATES: Applicable April 1, 2022.

FOR FURTHER INFORMATION CONTACT: Nathan James, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-5305.

SUPPLEMENTARY INFORMATION:**Background**

On February 19, 1991, Commerce published the *Orders* on HFHTs from China.¹ On December 1, 2021, Commerce published the notice of initiation of the five-year sunset review of the *Orders*, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).² On December 15, 2021, Commerce received a notice of intent to participate in this sunset review from a domestic interested party, Estwing Manufacturing Company, Inc. (domestic interested party) within the deadline specified in 19 CFR 351.218(d)(1)(i).³ The domestic interested party claimed interested party status under section 771(9)(C) of the Act as a U.S. producer of HFHTs. On January 3, 2022, the domestic interested party provided a complete substantive response for this review within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).⁴

We received no substantive responses from any other interested parties. On January 20, 2022, Commerce notified the U.S. International Trade Commission that it did not receive an adequate substantive response from respondent interested parties.⁵ As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce conducted an expedited (120-day) sunset review of the *Orders*.

Scope of the Orders

The products covered by the *Orders* include heavy forged hand tools, finished or unfinished, with or without handles. For a full description of the scope, see the Issues and Decision Memorandum.⁶

Analysis of Comments Received

All issues raised in this review, including the likelihood of continuation or recurrence of dumping in the event of revocation and the magnitude of the margins likely to prevail if the *Orders* were revoked, are addressed in the accompanying Issues and Decision Memorandum. A list of topics discussed in the Issues and Decision Memorandum is included as an appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Final Results of Sunset Review

Pursuant to sections 751(c)(1) and 752(c)(1) and (3) of the Act, Commerce determines that revocation of the *Orders* on HFHTs from China would likely lead to continuation or recurrence of dumping, and that the magnitude of the dumping margins likely to prevail would be margins up to those listed in the chart below:

HFHTs	Margin (percent)
Axes/Adzes (A-570-204)	15.02
Picks/Mattocks (A-570-203)	50.81
Bars/Wedges (A-570-202)	31.76
Hammers/Sledges (A-570-201) ..	45.42

This notice corrects the Assessment Rates section to include a sentence regarding Colakoglu Metalurji A.S./Colakoglu Dis Ticaret A.S.’s (Colakoglu) liquidation instructions that was inadvertently omitted.

DATES: Applicable April 1, 2022.

SUPPLEMENTARY INFORMATION:

Correction

In the **Federal Register** of February 8, 2022, in the FR Doc. 2022–02638 on page 7119, in the third column, in the section “Assessment Rate,” we inadvertently omitted a sentence related to the liquidation instructions for Colakoglu. The “Assessment Rate” section should include the sentence: “Because we calculated a margin for Colakoglu which is zero or *de minimis* in the final results of this review, we

intend to instruct CBP to liquidate the appropriate entries without regard to antidumping duties.”

Background

On February 8, 2022, Commerce published in the **Federal Register** the notice of the final results of the 2019–2020 administrative review.¹ We inadvertently omitted a sentence in the “Assessment Rates” section pertaining to Colakoglu. Thus, we are adding the following sentence in the “Assessment Rates” section of the notice: “Because we calculated a margin for Colakoglu which is zero or *de minimis* in the final results of this review, we intend to instruct CBP to liquidate the appropriate entries without regard to antidumping duties.” This notice serves as a notification of this correction to the **Federal Register** notice published on February 8, 2022.
