DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-6327-C-02]

Notice of Annual Factors for Determining Administrative Fees for the Section 8 Housing Choice Voucher, Mainstream, and Moderate Rehabilitation Programs for Calendar Year 2021; Correction

AGENCY: Office of the Assistant Secretary for Public and Indian Housing, HUD.

ACTION: Notice, correction.

SUMMARY: On August 15, 2022, HUD published a notice in the **Federal Register** entitled, "Notice of Annual Factors for Determining Administrative Fees for the Section 8 Housing Choice Voucher, Mainstream, and Moderate Rehabilitation Programs for Calendar Year 2021". The notice published omitted specific information and included incorrect website links. To

clarify any misinformation, this notice replaces the notice published on August 15, 2022, and republishes the methodology HUD used in determining the on-going administrative fees for public housing agencies (PHAs) administering the Housing Choice Voucher (HCV), Mainstream, and Moderate Rehabilitation programs, including the Moderate Rehabilitation Single Room Occupancy program, during calendar year (CY) 2021.

FOR FURTHER INFORMATION CONTACT:

Fontánez, Director, Housing Voucher Financial Management Division, Office of Public Housing and Voucher Programs, Office of Public and Indian Housing, Department of Housing and Urban Development, 451 Seventh Street SW, Room 4222, Washington, DC 20410–8000, telephone number 202–402–2934. SUPPLEMENTARY INFORMATION: On August 15, 2022, HUD issued the “Notice of Annual Factors for Determining Administrative Fees for the Section 8 Housing Choice Voucher, Mainstream, and Moderate Rehabilitation Programs for Calendar Year 2021” at 87 FR 50095. The notice published omitted specific information and included incorrect website links. This notice replaces that notice in its entirety for added clarity but does not change the Annual Factors for Determining Administrative Fees.

A. Background

HUD is required by statute to notify the public of the methodology used to determine administrative fee rates for each calendar year. HUD is issuing this Notice in compliance with this statutory requirement. The 2021 administrative fee rates were previously published at the following link: https://www.hud.gov/program_offices/public_indian_housing/programs/hcv/guidance_and_notices. This Notice provides HUD’s methodology used to determine the CY 2021 administrative fee rates by area, which HUD used to determine administrative fees for the HCV, Mainstream, and Moderate Rehabilitation programs, including the Moderate Rehabilitation Single Room Occupancy (SRO) program. The HCV program is the Federal government’s major program for assisting very low-income families, the elderly, and the

disabled to afford decent, safe, and sanitary housing in the private market.

Mainstream Vouchers are tenant-based vouchers serving households that include a non-elderly person with a disability. The Moderate Rehabilitation program provides project-based rental assistance for low-income families and the Mod Rehab SRO program provides assistance to individuals experiencing homelessness. Both programs have been repealed and no new projects are authorized for development. Assistance is limited to properties previously rehabilitated pursuant to an Agreement to enter into a Housing Assistance Payments (HAP) Contract between an owner and a PHA, with assistance being provided pursuant to a HAP contract between the PHA and owner.

B. CY 2021 Methodology

For CY 2021, in accordance with the 2021 Consolidated Appropriations Act (Pub. L. 116–260), administrative fees were determined based on vouchers leased as of the first day of each month. This data was extracted from the Voucher Management System (VMS) at the close of each reporting cycle and validated prior to use. For the Moderate Rehabilitation program, including the SRO program, administrative fees were earned based on the units under a HAP contract. In some cases, the fee rates calculated for CY 2021 were lower than those established for CY 2020. In these cases, the affected PHAs were held harmless at the CY 2020 fee rates.

The fee rates for each PHA generally cover the fees for areas in which the PHA had the greatest proportion of its participants. This was determined using Public Housing Information Center (PIC) data submitted by the PHA. In some cases, PHAs had participants in more than one fee area. If such a PHA chooses, the PHA could request that HUD establish a blended fee rate to proportionately all areas in which participants were located. Once a blended rate was established, it was used to determine the PHA’s fee eligibility for all months in CY 2021. The 2021 HCV Funding Implementation Notice described how to apply for blended fee rates and the deadline date for submitting such requests. The notice can be accessed through the following link: <https://www.hud.gov/sites/dfiles/PIH/documents/pih2021-10.pdf>.

PHAs operating over large geographic areas, defined as multiple counties, could request a higher administrative fee rate if eligible under the criteria described in the CY 2021 implementation notice. The 2021 HCV Funding Implementation Notice described when to apply for higher fee

rates and the deadline date for such requests. Higher administrative fee rates differed from blended administrative fee rates in how they were calculated. Requests for higher administrative rates must have clearly demonstrated that the PHA’s published rate cannot cover their projected expenses. Next, a breakeven rate was calculated to ensure the PHA received sufficient funds to cover their expenses while also ensuring the administrative fee reserves did not grow.

This notice identifies the monthly per-voucher-unit fee rates that were used in CY 2021 to determine PHA administrative fee eligibility for the programs identified in this notice. These fee rates remain posted on the Department’s website at: http://portal.hud.gov/hudportal/HUD?src=/program_offices/public_indian_housing/programs/hcv, under Program Related Information.

Questions concerning this notice should be directed to the PHA’s assigned representative at the Financial Management Center or the Financial Management Division at PIHFinancialManagementDivision@hud.gov.

C. Moving To Work (MTW) Agencies

In cases where an MTW Agency has an alternative formula for calculating HCV administrative fees in Attachment A of its MTW Agreement, HUD calculates the HCV administrative fees in accordance with the MTW Agreement provision.

General Deputy Assistant Secretary for Public and Indian Housing.
