OMB Control Number: 2900-0418.

Type of Review: Reinstatement, with change, of a previously approved collection for which approval has expired.

Abstract: VAAR section 809.106-1 requires the contracting officer to ask a firm being considered for award of a contract for bakery, dairy, or ice cream products or for laundry or dry cleaning services whether or not the firm's plant has recently been inspected by another Federal agency and, if so, which agency. The information is used by the contracting officer to determine whether or not a separate inspection of the firm's plant must be conducted by VA prior to contract award. Paragraph (d) of VAAR section 809.504 and VAAR clause 852.209-70 require offerors on solicitations for management support and consulting services to advise, as part of the firm's offer, whether or not award of the contract to the firm might involve a conflict of interest and, if so, to disclose all relevant facts regarding the conflict. The information is used by the contracting officer to determine whether or not to award a contract to the firm or, if a contract is to be awarded despite a potential conflict, whether or not additional contract terms and conditions are necessary to mitigate the conflict.

Affected Public: Business or other for-profit; Individuals and households; and Not-for-profit institutions.
