

section 5333(b), administered under the Department of Labor's (DOL) Mass Transit Employee Protection Program. These employee protections include the preservation of rights, privileges, and benefits under existing collective bargaining agreements, the continuation of collective bargaining rights, the protection of individual employees against a worsening of their positions related to employment, assurances of employment to employees of acquired mass transportation systems, priority of reemployment, and paid training or retraining. Generally, DOL processes the employee protection certification required under Section 5333(b) in accordance with the procedural guidelines published at 29 C.F.R. 215.3. However, for the Job Access and Reverse Commute Program, DOL has proposed to apply appropriate protections without referral for Job Access and Reverse Commute grant applications serving populations under 200,000 and to utilize the guidelines for Job Access and Reverse Commute grant applications serving populations of 200,000 or more. FTA will submit the grant application to DOL for certification.

Grant funds will NOT be released without DOL certification. Where there are questions regarding the DOL certification process and/or information needed by DOL to obtain a labor certification, successful applicants must contact the appropriate FTA regional office (See Appendix A). Additionally, guidance is provided on the World Wide Web at [<http://www.fta.dot.gov.wtw/labor.htm>].

**Completed Application:** All successful applicants must now proceed to complete their grant application by fully documenting all the Job Access and Reverse Commute program requirements that were not fully documented when the application was submitted. FTA regional offices will advise applicants by letter of any remaining outstanding items, as well as stipulations specific to the Job Access and Reverse Commute project which need to be addressed and/or fully documented prior to grant approval.

Successful applicants will be notified in writing by the FTA regional offices with further guidance.

Issued on: October 13, 2000.

*Acting Administrator.*
