Alternative Service Worker Appeals of Denied Job Reassignments

AGENCY: Selective Service System.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Selective Service System (SSS) proposes to amend its regulations regarding the procedures for conscientious objectors, who have been placed in the Alternative Service Program as Alternative Service Workers (ASW), to appeal denied requests for job reassignments during a military draft. Civilian Review Boards (CRB), whose sole responsibility is to decide ASW appeals of denied job reassignments, would be abolished with their responsibilities transferred to the more numerous District Appeal Boards (DAB). Under existing regulations, the sole responsibility of DABs is to decide appeals of local board classification decisions. This organization change is necessary to ensure a more efficient and economical administration of the SSS. Its primary intended effect is to eliminate the administrative costs of maintaining separate appeal boards for ASWs without adversely impacting on the Agency's ability to expeditiously decide appeals of denied job reassignments or appeals of local board classification decisions. A secondary intended effect is to improve customer service to ASWs during a military draft.
