SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information, is necessary for the proper performance of the functions of the National Security Division, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so, how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Abstract: Form NSD-1/Registration Statement is used for registering foreign agents under the Foreign Agents Registration Act of 1938 (FARA), as amended, 22 U.S.C. 611. This is a request for a revision of a previously approved information collection. The collection will now use a new eFile webform system located on the

FARA.gov website: <https://www.justice.gov/nsd-fara/fara-efile>.

Overview of this information collection:

1. *Type of Information Collection:* Revision of a currently approved collection.
2. *The Title of the Form/Collection:* Registration Statement (Foreign Agents).
3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* Form name/number: NSD-1. The applicable component within the Department of Justice is the Foreign Agents Registration Act Unit (FARA Unit), Counterintelligence and Export Control Section, National Security Division.
4. *Affected public who will be asked or required to respond as well as obligation to respond:* Private sector—business or other for-profit, not-for-profit institutions. The obligation to respond is mandatory per 28 CFR 5.
5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* Based on the projected number of registrations from 2023 to 2026, an estimated 119 respondents will complete Form NSD-1 once annually. Based on sample testing, each respondent will need .75 hours to complete the form.
6. *An estimate of the total public burden (in hours) associated with the collection:* The estimated public burden associated with this collection is 89 annual burden hours. It is estimated that respondents will take .75 hours to complete the form. (119 respondents × .75 hours = 89 annual burden hours).

DEPARTMENT OF LABOR**Agency Information Collection Activities; Submission for OMB Review; Comment Request; Program To Prevent Smoking in Hazardous Areas of Underground Coal Mines**

ACTION: Notice of availability; request for comments.

SUMMARY: The Department of Labor (DOL) is submitting this Mine Safety and Health Administration (MSHA)-

sponsored information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (PRA). Public comments on the ICR are invited.

DATES: The OMB will consider all written comments that the agency receives on or before May 22, 2023.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

Comments are invited on: (1) whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) if the information will be processed and used in a timely manner; (3) the accuracy of the agency’s estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (4) ways to enhance the quality, utility and clarity of the information collection; and (5) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

SUPPLEMENTARY INFORMATION: Section 317(c) Mine Act, 30 U.S.C. 877(c), and 30 CFR 75.1702 prohibit persons from smoking or carrying smoking materials underground or in places where there is a fire or explosion hazard. Under the Mine Act and 30 CFR 75.1702, coal mine operators are required to develop programs to prevent persons from carrying smoking materials, matches, or lighters underground and to prevent smoking in hazardous areas, such as in or around oil houses, explosives magazines, or other areas where such practice may cause a fire or explosion. 30 CFR 75.1702–1 requires a mine operator to submit a smoking prevention program to MSHA for approval. This information collection requirement helps to ensure that a fire or explosion hazard does not occur. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on October 24, 2022 (87 FR 64253).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.
