

programs to expand United States exports of civil nuclear goods and services in accordance with applicable United States regulations, including advice on how U.S. civil nuclear goods and services export policies, programs, and activities will affect the U.S. civil nuclear industry's competitiveness and ability to participate in the international market.

Topics to be considered: The agenda for the June 15, 2010, CINTAC meeting is as follows:

1. Welcome and introduction of members attending for the first time.
2. Discussion of civil nuclear trade priority issues.
3. Discussion of subcommittee work progress on domestic competitiveness, technologies, treaties and regulations, advocacy, and talent and education.

Public Participation: The meeting will be open to the public and the room is disabled-accessible. Public seating is limited and available on a first-come, first-served basis. Members of the public wishing to attend the meeting must notify Ms. Sarah Lopp at the contact information above by 5 p.m. EDT on Friday, June 11, 2010, in order to pre-register for clearance into the building. Please specify any requests for reasonable accommodation at least five business days in advance of the meeting. Last minute requests will be accepted, but may be impossible to fill.

A limited amount of time will be available for pertinent brief oral comments from members of the public attending the meeting. To accommodate as many speakers as possible, the time for public comments will be limited to two (2) minutes per person, with a total public comment period of 30 minutes. Individuals wishing to reserve speaking time during the meeting must contact Ms. Lopp and submit a brief statement of the general nature of the comments and the name and address of the proposed participant by 5 p.m. EDT on Friday, June 11, 2010. If the number of registrants requesting to make statements is greater than can be reasonably accommodated during the meeting, the International Trade Administration (ITA) may conduct a lottery to determine the speakers. Speakers are requested to bring at least 20 copies of their oral comments for distribution to the participants and public at the meeting.

Any member of the public may submit pertinent written comments concerning the CINTAC's affairs at any time before and after the meeting. Comments may be submitted to the Civil Nuclear Trade Advisory Committee, Office of Energy and Environmental Industries, Room 4053,

1401 Constitution Ave NW., Washington, DC 20230. To be considered during the meeting, comments must be received no later than 5 p.m. EDT on Friday, June 11, 2010, to ensure transmission to the Committee prior to the meeting. Comments received after that date will be distributed to the members but may not be considered at the meeting.

Copies of CINTAC meeting minutes will be available within 90 days of the meeting.

Thomas Sobotta,

Deputy Assistant Secretary for Manufacturing, Acting.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

RIN 0648-XW66

New England Fishery Management Council; Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; public meeting.

SUMMARY: The New England Fishery Management Council's (Council) VMS/Enforcement Committee will meet to consider actions affecting New England fisheries in the exclusive economic zone (EEZ).

DATES: The meeting will be held on Monday, June 21, 2010 at 9:30 a.m.

ADDRESSES: The meeting will be held at the Eastland Park Hotel, 157 High Street, Portland, ME 04101; telephone: (207) 775-5411; fax: (207) 775-1066.

Council address: New England Fishery Management Council, 50 Water Street, Mill 2, Newburyport, MA 01950.

FOR FURTHER INFORMATION CONTACT: Paul J. Howard, Executive Director, New England Fishery Management Council; telephone: (978) 465-0492.

SUPPLEMENTARY INFORMATION: The items of discussion in the committee's agenda are as follows:

1. Enforcement of sectors; how to improve dockside monitoring; one landing per calendar day vs. 24 hours; discuss including two state enforcement people on the committee; marking of fixed fishing gear regulations and also discuss possibly reviewing and eliminating unnecessary or duplicative regulations.

2. Other business.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically identified in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the Council's intent to take final action to address the emergency.

Special Accommodations

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Paul J. Howard (see **ADDRESSES**) at least 5 days prior to the meeting date.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: May 25, 2010.

Tracey L. Thompson,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

New England Fishery Management Council; Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of a public meeting.

SUMMARY: The New England Fishery Management Council's (Council) Groundfish Committee will meet to consider actions affecting New England fisheries in the exclusive economic zone (EEZ).

DATES: The meeting will be held on Wednesday, June 16, 2010 at 9 a.m.

ADDRESSES: The meeting will be held at the Holiday Inn, 31 Hampshire Street, Mansfield, MA 02048; telephone: (508) 339-2200; fax: (508) 339-1040.

Council address: New England Fishery Management Council, 50 Water Street, Mill 2, Newburyport, MA 01950.

FOR FURTHER INFORMATION CONTACT: Paul J. Howard, Executive Director, New England Fishery Management Council; telephone: (978) 465-0492.

SUPPLEMENTARY INFORMATION: The items of discussion in the committee's agenda are as follows:

1. The Committee will review groundfish action items for possible inclusion in management measures including:

- Georges Bank yellowtail flounder rebuilding time frame
- New sector requests
- Update on status of pollock if preliminary results from the 2010 Stock Assessment Review Committee (SARC) are available
- General category scallop dredge exemption for yellowtail flounder in the Great South Channel

2. The Committee may also discuss these additional groundfish management issues:

- Party and charter boat limited entry control date
- Accountability measures
- Gulf of Maine winter flounder zero possession and allocation
- Permit banks

3. The Committee will consider the possible initiation of an amendment to the Fishery Management Plan relating to allocative effects and excessive control of fishing privileges. Groundfish fleet diversity issues and social and economic objectives will also be addressed.

4. Other business may also be discussed, including a review of seasonal rolling closures if available.

The Committee's recommendations will be delivered to the full Council at its meeting in Portland, ME on June 22–24, 2010.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically identified in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the Council's intent to take final action to address the emergency.

Seamless Refined Copper Pipe and Tube From Mexico: Correction to Notice of Preliminary Determination of Sales at Less Than Fair Value and Postponement of Final Determination

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* May 28, 2010.

FOR FURTHER INFORMATION CONTACT: Joy Zhang or George McMahon, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482–1168 or (202) 482–1167, respectively.

SUPPLEMENTARY INFORMATION:

Correction

On May 12, 2010, the Department of Commerce (“the Department”) published in the **Federal Register** the following notice: *Seamless Refined Copper Pipe and Tube From Mexico: Notice of Preliminary Determination of Sales at Less Than Fair Value and Postponement of Final Determination*, 75 FR 26726 (May 12, 2010) (“*Mexico Preliminary Determination*”). Subsequent to the publication of the notice in the **Federal Register**, we identified an inadvertent error in the *Mexico Preliminary Determination*. Specifically, the Department made an error by inadvertently modifying the text within the section titled “Scope of Investigation,” which caused certain terms (e.g., seamless, circular, and refined) to be deleted from portions of the scope language that was previously included in the *Initiation Notice*. See *Seamless Refined Copper Pipe and Tube From the People's Republic of China and Mexico: Initiation of Antidumping Duty Investigations*, 74 FR 55194, 55199 (October 27, 2009) (“*Initiation Notice*”). For reference, below is the correct scope language of the instant investigation.

Scope of Investigation

For the purpose of this investigation, the products covered are all seamless circular refined copper pipes and tubes, including redraw hollows, greater than or equal to 6 inches (152.4 mm) in length and measuring less than 12.130 inches (308.102 mm) (actual) in outside diameter (“OD”), regardless of wall thickness, bore (e.g., smooth, enhanced with inner grooves or ridges),

manufacturing process (e.g., hot finished, cold-drawn, annealed), outer surface (e.g., plain or enhanced with grooves, ridges, fins, or gills), end finish (e.g., plain end, swaged end, flared end, expanded end, crimped end, threaded), coating (e.g., plastic, paint), insulation, attachments (e.g., plain, capped, plugged, with compression or other fitting), or physical configuration (e.g., straight, coiled, bent, wound on spools).

The scope of this investigation covers, but is not limited to, seamless refined copper pipe and tube produced or comparable to the American Society for Testing and Materials (“ASTM”) ASTM–B42, ASTM–B68, ASTM–B75, ASTM–B88, ASTM–B88M, ASTM–B188, ASTM–B251, ASTM–B251M, ASTM–B280, ASTM–B302, ASTM–B306, ASTM–359, ASTM–B743, ASTM–B819, and ASTM–B903 specifications and meeting the physical parameters described therein. Also included within the scope of this investigation are all sets of covered products, including “line sets” of seamless refined copper tubes (with or without fittings or insulation) suitable for connecting an outdoor air conditioner or heat pump to an indoor evaporator unit. The phrase “all sets of covered products” denotes any combination of items put up for sale that is comprised of merchandise subject to the scope.

“Refined copper” is defined as: (1) Metal containing at least 99.85 percent by weight of copper; or (2) metal containing at least 97.5 percent by weight of copper, provided that the content by weight of any other element does not exceed the following limits:

Element	Limiting content percent by weight
Ag—Silver	0.25
As—Arsenic	0.5
Cd—Cadmium	1.3
Cr—Chromium	1.4
Mg—Magnesium	0.8
Pb—Lead	1.5
S—Sulfur	0.7
Sn—Tin	0.8
Te—Tellurium	0.8
Zn—Zinc	1.0
Zr—Zirconium	0.3
Other elements (each) ..	0.3

Excluded from the scope of this investigation are all seamless circular hollows of refined copper less than 12 inches in length whose OD (actual) exceeds its length.

The products subject to this investigation are currently classifiable under subheadings 7411.10.1030 and 7411.10.1090 of the Harmonized Tariff Schedule of the United States (“HTSUS”). Products subject to this
