#### ANR Pipeline Company; Notice of Tariff Filing

June 14, 2004.

Take notice that on June 8, 2004, ANR Pipeline Company (ANR), tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No, the following tariff sheets, with a proposed effective date of July 8, 2004:

Fifteenth Revised Sheet No. 2  
Seventh Revised Sheet No. 102  
Sixth Revised Sheet No. 103  
Third Revised Sheet No. 162.01  
Tenth Revised Sheet No. 191  
Third Revised Sheet No. 191A  
Second Revised Sheet No. 191B  
Fourth Revised Sheet No. 193  
Third Revised Sheet No. 194  
Second Revised Sheet No. 195  
First Revised Sheet No. 196  
First Revised Sheet No. 197

ANR states that it is tendering the revised tariff sheets to revise ANR's FERC Gas Tariff to make generally available to its customers three new options in the General Terms and Conditions of its tariff. ANR notes that two of the options would give customers the opportunity to negotiate additional types of discounted rates—one based on a published index price or formula and the other based on agreement to certain operational considerations that would allow ANR to provide incremental capacity for sale and the third option would allow ANR to satisfy a customers request for service where previously ANR would have had to deny the request due to prevailing operating conditions.

#### Marathon LNG Marketing, LLC; Notice of Petition for Declaratory Order

June 14, 2004.

Take notice that on June 7, 2004, Marathon LNG Marketing LLC (Marathon LNG) tendered for filing a petition for a declaratory order to remove uncertainty regarding the applicability of the Commission's "buy/sell" policy to a "redelivery option" provision included in an LNG sales contract between itself and BG LNG Services, LLC (BG LNG Services) pertaining to services at the Elba Island LNG Terminal.

Marathon LNG requests an order declaring that the "redelivery option" in the LNG sales contract does not conflict with the Commission's "buy/sell" policy. To the extent that the Commission concludes otherwise, Marathon LNG asks that the Commission grant any and all waivers to allow the LNG sales contract, including the "redelivery option" to be implemented in its entirety or order that the parties work together to restructure the "redelivery option" as a prearranged release of capacity at Elba Island in a manner consistent with the provisions of the Southern LNG, Inc., tariff.
