This response must be submitted within 45 days of receipt of the written notice of contemplated revocation and must be submitted electronically through means specified in such notice. Any representative of the foreign producer in these proceedings must be authorized by the foreign producer pursuant to a duly executed power of attorney or other document deemed acceptable to the appropriate TTB officer. The appropriate TTB officer may extend this period of time once by an additional 90 days if the appropriate TTB officer requires

additional time to consider the issues presented by an appeal and must notify the foreign producer of the extension within the initial 90-day period. If the appropriate TTB officer fails to issue a decision granting or denying the appeal within the applicable deadline, the appeal is denied and such denial will be considered a final decision.

(2) *Judicial review.* A final decision from the appropriate TTB officer following appeal is required prior to application to the Federal courts for review of any order of revocation.

(f) *Notice to affected importers.* In any instance where an order imposing revocation of a foreign producer's eligibility for CBMA tax benefits is issued under paragraph (d) of this section, the appropriate TTB officer will notify any importer having an assignment of CBMA tax benefits from that foreign producer of the revocation.
