

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change: (1) Does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) by its terms does not become operative for 30 days after the date of this filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁸ and Rule 19b-4(f)(6) thereunder.¹⁹

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative for 30 days after the date of filing. However, Rule 19b-4(f)(6)(iii) permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requests that the Commission waive the 30-day operative delay so that the Exchange can list and trade options on the Sprott Physical Gold Trust immediately. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest to permit the Exchange to list and trade options on the Sprott Physical Gold Trust without delay.²⁰ The Commission notes the proposal is substantively identical to proposals that were recently approved by the Commission, and does not raise any new regulatory issues.²¹ For these reasons, the Commission designates the proposed rule change as operative upon filing.

At any time within 60 days of the filing of the proposed rule change, the

Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission,²² all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public Reference Room, 100 F Street, NE., Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. Self-Regulatory Organizations; National Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Extend Post Regular Trading Hours Trading Session

August 4, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 30, 2010, National Stock Exchange, Inc. ("NSX" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change, as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comment on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NSX proposes to extend the Exchange's post regular trading hours session.

In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to provide the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has fulfilled this requirement.

²⁰ For purposes only of waiving the 30-day operative delay, the Commission has also considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

²¹ See Securities Exchange Act Release No. 62463 (July 7, 2010), 75 FR 40005 (July 13, 2010) (SR-CBOE-2010-043).

²² The text of the proposed rule change is available on the Commission's Web site at <http://www.sec.gov>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

With this rule change, the Exchange is proposing to extend the Exchange's post regular trading hours trading session from 6:30 p.m. Eastern Time ("ET") until 8 p.m. ET.

Currently, the Exchange's Regular Trading Hours, as such term is defined in NSX Rule 1(R)(1), are from 9:30 a.m. until 4 p.m. ET. The pre-Regular Trading Hours trading session is from 8 a.m. until 9:30 a.m. ET, and the post-Regular Trading Hours trading session is from 4 p.m. until 6:30 p.m. ET. Pursuant to Rule 11.1(a), the Board of Directors of the Exchange has determined to extend the post-Regular Trading Hours trading session until 8 p.m. ET.⁵ Pursuant to Rule 11.1(a), the Board's determination to extend the Exchange's post-Regular Trading Hours to 8:00 p.m. ET will be noticed to ETP Holders pursuant to Regulatory Circular. In addition, the text of Rule 11.1(a) is supplemented to reflect proposed Exchange business hours.

The Exchange's surveillance programs and resources presently in force with respect to the Exchange's current post-Regular Trading Hours trading session, which (prior to the proposed operative date of August 2, 2010 of the instant rule filing) closes at 6:30 p.m. ET, will be utilized to effectively surveil activities on the Exchange during the additional hour and a half of post-Regular Trading Hours proposed under the instant rule filing. The Exchange believes that its current surveillance and other regulatory programs are sufficiently robust and capable of fulfilling the Exchange's regulatory obligations with respect to the proposed

extended post-Regular Trading Hours. The Exchange will continue to monitor its market to identify any need for, and to implement, such regulatory enhancements and additional actions as may be necessary from time to time.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6(b) of the Act,⁶ in general, and furthers the objectives of Section 6(b)(5)⁷ in particular in that it is designed, among other things, to promote clarity, transparency and full disclosure, in so doing, to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Moreover, the proposed rule change is not discriminatory in that all ETP Holders are eligible to participate (or elect to not participate) in effectuating transactions on the Exchange outside of Regular Trading Hours on the same terms and conditions.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing rule change does not: (1) Significantly affect the protection of investors or the public interest; (2) impose any significant burden on competition; and (3) become operative for 30 days after the date of this filing, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6) thereunder.⁹

A proposed rule change filed under Rule 19b-4(f)(6) normally may not

become operative prior to 30 days after the date of filing.¹⁰ However, Rule 19b-4(f)(6)(iii) permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay. The Commission notes that the Exchange's proposal is substantially similar to the rules of other national securities exchanges and does not raise any new substantive issues.¹¹ Based on the foregoing, the Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest and hereby designates the proposal operative upon filing.¹²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹³

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

¹⁰ 17 CFR 240.19b-4(f)(6)(iii). In addition, Rule 19b-4(f)(6)(iii) requires that a self-regulatory organization submit to the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

¹¹ See *supra* note 5. The Commission previously has waived the operative delay for similar rule change proposals of other exchanges under Rule 19b-4(f)(6) on the same basis. See, e.g., Securities Exchange Act Release No. 59136 (December 22, 2008), 73 FR 80484 (December 31, 2008) (SR-ISE-2008-95) (wherein the Commission waived the 30-day operative delay of a rule filing extending ISE's post regular trading hours from 5 p.m. to 8:00 p.m. ET). SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-62642; File No. SR-CHX-2010-19]

Self-Regulatory Organizations; The Chicago Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Its Order Cancellation Fee

August 4, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 30, 2010, the Chicago Stock Exchange, Inc. ("CHX" or "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. CHX has filed the proposal pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The CHX proposes to amend its Schedule of Participant Fees and Assessments (the "Fee Schedule"), effective August 1, 2010, to amend its order cancellation fee for Participants entering and subsequently cancelling orders under certain circumstances. The text of this proposed rule change is available on the Exchange's Web site at http://www.chx.com/rules/proposed_rules.htm and in the Commission's Public Reference Room, 100 F Street, NE., Washington, DC 20549.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CHX included statements concerning the purpose of and basis for the proposed rule changes and discussed any comments it received regarding the proposal. The text of these statements may be examined at the places specified in Item IV below. The CHX has prepared summaries, set forth in sections A, B

and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Through this proposal, the Exchange is seeking to amend its Fee Schedule to exempt from its existing Order Cancellation Fee all orders, transactions and cancellation activity in Exchange Traded Funds ("ETFs"), Exchange Traded Notes ("ETNs") or Exchange Traded Vehicles ("ETVs"), collectively referred to as Exchange Traded Products ("ETPs"). The Order Cancellation Fee would continue in its current form and effect with respect to all other securities.

Beginning in January 2010, the Exchange's published Fee Schedule imposed a charge for order cancellations submitted by Participants whose orders rarely are at or near the National Best Bid or Offering ("NBBO").⁵ The application of the order cancellation fee depends on a calculation (done on a Participant-by-Participant basis) involving the number of wide orders (defined as display-eligible orders in the Matching System which are 2 or more cents away from the NBBO), quotable orders (all other display-eligible orders), the number of trades executed and number of cancellations submitted by a Participant in a month.⁶ The purpose of the order cancellation fee was to incent Participants to submit orders which are close to the NBBO (and are therefore more likely to be executed) or compensate the Exchange for the systems and operational costs and burdens associated with handling and recording orders which rarely execute.

Since the imposition of the order cancellation fee, however, the Exchange has observed that the number of unexecuted and displayed orders has actually increased for certain Participants. In order to avoid application of the cancellation fee, certain Participants are submitting Quotable orders (*i.e.*, those within 2 cents of the NBBO) to the CHX's Matching System, but for an extremely short duration (*e.g.*, 20 milliseconds). Due to the short duration of the order, the amount of trade activity generated by such orders is negligible. This

⁶ The activity also must have occurred in our Regular Trading Session and be in securities priced \$1 per share or more. Cancellations arising from Immediate or Cancel or Fill or Kill order types are excluded from the calculation. Executions of cross orders are also excluded.
