Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Health Resources and Services Administration (HRSA) publishes abstracts of information collection requests under review by the Office of Management and Budget (OMB), in compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35). To request a copy of the clearance requests submitted to OMB for review, e-mail paperwork@hrsa.gov or call the HRSA Reports Clearance Office on (301)-443-1129.

The following request has been submitted to the Office of Management and Budget for review under the Paperwork Reduction Act of 1995:

Proposed Project: Nursing Scholarship Program (OMB No. 0915-0301)—Extension

The Nursing Scholarship Program (NSP) or "Nursing Scholarship" is a competitive Federal program, which awards scholarships to individuals for attendance at schools of nursing. The Bureau of Clinician Recruitment and Service (BCRS) in HRSA administers the program. The scholarship consists of payment of tuition, fees, other reasonable educational costs, and a monthly support stipend. In return, the students agree to provide a minimum of 2 years of full-time clinical service (or an equivalent part-time commitment, as approved by the NSP) at a health care facility with a critical shortage of nurses as defined by the program.

Nursing scholarship recipients must be willing and are required to fulfill their NSP service commitment at a health care facility with a critical shortage of nurses in the United States, the District of Columbia, the Commonwealth of Puerto Rico, the Territory of Guam, the Commonwealth of the Northern Marianas, the U.S. Virgin Islands, the Territory of America Samoa, the Republic of Palau, the Republic of the Marshall Islands, or the Federated States of Micronesia. Students who are uncertain of their commitment to provide nursing in a health care facility with a critical shortage of nurses in the United States and its Territories are advised not to participate in this program. The NSP needs to collect data to determine an applicant's eligibility for the program, to monitor a participant's continued enrollment in a school of nursing, to monitor the participant's compliance with the NSP service obligation, and to obtain data on its program to ensure compliance with legislative mandates and prepare annual reports to Congress.

The following information will be collected: (1) From the applicants and/or the schools, general applicant and nursing school data such as full name, location, tuition/fees, and enrollment status; (2) from the schools, on an annual basis, data concerning tuition/fees and student enrollment status; and (3) from the participants and their health care facilities with a critical shortage of nurses, on a biannual basis, data concerning the participant's employment status, work schedule and leave usage. BCRS enters the cost information into its computerized data system, along with the projected amount for the monthly stipend, to determine the amount of each scholarship award.

The annual estimate of burden is as follows:

Type of report	Number of respondents	Responses per respondent	Total responses	Hours per response	Total burden hours
Application	4,000	1	4,000	2	8,000
In-school monitoring	500	1	500	2	1,000
In-service monitoring	600	1	1,200	1	1,200
Total	5,100		10,200		10,200

Written comments and recommendations concerning the proposed information collection should be sent within 30 days of this notice to the desk officer for HRSA, either by e-mail to OIRA_submission@omb.eop.gov or by fax to 202-395-6974. Please direct all correspondence to the "attention of the desk officer for HRSA."

Agency Information Collection Activities: Proposed Collection: Comment Request

In compliance with the requirement for opportunity for public comment on

proposed data collection projects (section 3506(c)(2)(A) of Title 44, United States Code, as amended by the Paperwork Reduction Act of 1995, Pub. L. 104-13), the Health Resources and Services Administration (HRSA) publishes periodic summaries of proposed projects being developed for submission to the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995. To request more information on the proposed project or to obtain a copy of the data collection plans and draft instruments, e-mail paperwork@hrsa.gov or call the HRSA Reports Clearance Officer on (301) 443-1129.

Comments are invited on: (a) The proposed collection of information for the proper performance of the functions of the agency; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the

use of automated collection techniques or other forms of information technology.

Proposed Project: HRSA National Environmental Policy Act (NEPA) Environmental Information and Documentation (EID) (OMB No. 0915-0324)—Extension

HRSA is requesting extension of the approval for the Environmental Information and Documentation (EID) checklist which consists of information that the agency is required to obtain to comply with the National Environmental Policy Act of 1969 (NEPA). NEPA establishes the Federal Government's national policy for protection of the environment. HRSA has developed the EID for applicants of funding that would potentially impact the environment and to ensure that their decision-making processes are consistent with NEPA. Applicants must provide information and assurance of compliance with NEPA on the EID checklist. The estimated annual burden is as follows:

Form	Number of respondents	Responses per respondent	Total responses	Hours per response	Total burden hours
NEPA EID Checklist	2,734	1	2,734	1	2,734
Total	2,734		2,734		2,734

E-mail comments to paperwork@hrsa.gov or mail the HRSA Reports Clearance Officer, Room 10-33, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857. Written comments should be received within 60 days of this notice.

Dated: July 2, 2009.
