### Notice of Lodging of Proposed Third Amendment to Consent Decree Under the Clean Water Act

On January 15, 2021, the Department of Justice lodged a proposed Third Amendment to Consent Decree (Consent Decree) with the United States District Court for the Western District of Missouri, Western Division, in the lawsuit entitled *United States of America v. The City of Kansas City, Missouri*, Civil Action No. 4:10-CV-0497-GAF.

The Complaint initiating this matter sought injunctive relief and civil penalties for alleged violations of the Clean Water Act, 33 U.S.C. 1251 *et seq.*, and National Pollutant Discharge Elimination System Permits issued thereunder in connection with overflows from Kansas City's sanitary and storm sewer systems. Kansas City (the "City") and the United States entered a Consent Decree on May 18, 2010, providing for the City to pay a civil penalty for its past violations of the Clean Water Act and to undertake a series of projects to reduce the overflows from its sewer system in

accordance with an agreed-upon schedule.

Under the proposed Third Amendment to Consent Decree, the City has agreed to achieve a series of interim overflow reductions culminating in achievement of at least 85% reduction of overflow volume not later than December 31, 2040. The interim milestones require capture of specified percentages of overflows and implementation of specified control measures by December 31, 2024, December 31, 2030, and December 31, 2035. Additionally, the Third Amendment to Consent Decree incorporates adaptive management concepts intended to allow the parties expeditiously to agree upon re-ordering or substitution of projects in a manner that does not impact the achievement of interim or final flow capture requirements.

The publication of this notice opens a period for public comment on the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States of America v. City of Kansas City, Missouri*, D.J. Ref. No. 90-5-1-1-06438/1. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:

In some places however, changes such as the inclusion of subheadings, a reorganization of language, or "and," "or," or other words are added for clarification.)

#### Section 222(a)—Workers of a Primary Firm

In order for an affirmative determination to be made for workers of a primary firm and a certification issued regarding eligibility to apply for TAA, the group eligibility requirements under Section 222(a) of the Act (19 U.S.C. 2272(a)) must be met, as follows:

(1) The first criterion (set forth in Section 222(a)(1) of the Act, 19 U.S.C. 2272(a)(1)) is that a significant number or proportion of the workers in such workers' firm (or "such firm") have become totally or partially separated, or are threatened to become totally or partially separated; AND (2(A) or 2(B) below)

(2) The second criterion (set forth in Section 222(a)(2) of the Act, 19 U.S.C. 2272(a)(2)) may be satisfied by either (A) the Increased Imports Path, or (B) the Shift in Production or Services to a Foreign Country Path/Acquisition of Articles or Services from a Foreign Country Path, as follows:

##### (A) Increased Imports Path

(i) The sales or production, or both, of such firm, have decreased absolutely; AND (ii and iii below)

(III) imports of articles directly incorporating one or more component parts produced outside the United States that are like or directly competitive with imports of articles incorporating one or more component parts produced by such firm have increased; AND

*(B) Shift in Production or Services to a Foreign Country Path OR Acquisition of Articles or Services From a Foreign Country Path*

(i) (I) There has been a shift by such workers' firm to a foreign country in the production of articles or the supply of services like or directly competitive with articles which are produced or services which are supplied by such firm; OR

(II) such workers' firm has acquired from a foreign country articles or services that are like or directly competitive with articles which are produced or services which are supplied by such firm; AND

(ii) the shift described in clause (i)(I) or the acquisition of articles or services described in clause (i)(II) contributed importantly to such workers' separation or threat of separation.

#### **Section 222(b)—Adversely Affected Secondary Workers**

In order for an affirmative determination to be made for adversely affected secondary workers of a firm and a certification issued regarding eligibility to apply for TAA, the group eligibility requirements of Section 222(b) of the Act (19 U.S.C. 2272(b)) must be met, as follows:

(1) A significant number or proportion of the workers in the workers' firm or

an appropriate subdivision of the firm have become totally or partially separated, or are threatened to become totally or partially separated; AND

(2) the workers' firm is a supplier or downstream producer to a firm that employed a group of workers who received a certification of eligibility under Section 222(a) of the Act (19 U.S.C. 2272(a)), and such supply or production is related to the article or service that was the basis for such certification (as defined in subsection 222(c)(3) and (4) of the Act (19 U.S.C. 2272(c)(3) and (4))); AND

(3) either—

(A) the workers' firm is a supplier and the component parts it supplied to the firm described in paragraph (2) accounted for at least 20 percent of the production or sales of the workers' firm; OR

(B) a loss of business by the workers' firm with the firm described in paragraph (2) contributed importantly to the workers' separation or threat of separation determined under paragraph (1).

#### **Section 222(e)—Firms Identified by the International Trade Commission**

In order for an affirmative determination to be made for adversely affected workers in firms identified by the International Trade Commission and a certification issued regarding eligibility to apply for TAA, the group eligibility requirements of Section 222(e) of the Act (19 U.S.C. 2272(e)) must be met, by following criteria (1), (2), and (3) as follows:
