Title: Prioritization and Allocation Authority Exercised by the Secretary of Transportation Under the Defense Production Act.

Form Numbers: OST F 1254.

Type of Review: Renewal of a previously approved information collection.

Background: The Defense Production Act Reauthorization of 2009 requires each Federal agency with delegated authority under section 101 of the Defense Production Act of 1950, as amended (50 U.S.C. App. Sec. 4501 *et seq.*) to issue final rules establishing standards and procedures by which the priorities and allocations authority is used to promote the national defense. The Secretary of Transportation has the delegated authority for all forms of civil transportation. DOT's final rule, Transportation Priorities and Allocation System (TPAS), published October 2012, requires this information collection. Form OST F 1254, Request for Special Priorities Assistance, would be filled out by private sector applicants, such as transportation companies or organizations. The private sector applicant must submit company information, the services or items for which the assistance is requested, and specific information about those services or items.

Respondents: Private sector applicants, such as transportation companies or organizations.

Number of Respondents: We estimate 6 respondents.

Total Annual Burden: We estimate an average burden of 30 minutes per respondent for an estimated total annual burden of 3 hours.

Public Comments Invited: You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for the Department's performance; (b) the accuracy of the estimated burden; (c) ways for the Department to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. Chapter 35, as amended; and 49 CFR 1.48.
