DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Office of Refugee Resettlement; Services to Unaccompanied Alien Children

Announcement Type: Cooperative Agreement—Initial.

Funding Opportunity Number: HHS–2005–ACF–ORR–ZU–0007.

CFDA Number: 93.676.

Due Date for Letters of Intent: June 17, 2005.

Due Date for Applications: July 18, 2005.

Executive Summary: One of the functions of the Division of Unaccompanied Children’s Services (DUCS) within ORR is to provide temporary shelter care and other related services to children in ORR custody. Shelter care services will be provided for the period beginning when DUCS accepts the child for placement and custody and ending when the child is released from custody, a final disposition of the child’s immigration case results in removal of the child from the United States or the child turns 18 years of age. Shelter care and other child welfare related services in a State licensed residential shelter care program should be provided in the least restrictive setting appropriate to the UAC’s age and special needs. While the majority of UAC remain in care for an average of 45 days, some will stay for shorter or longer periods of time. ORR is particularly interested in those facilities licensed for long term care as opposed to those facilities licensed as emergency shelters.

This announcement provides the opportunity to fund providers of shelter (basic, group home, staff secure, secure, therapeutic group home, transitional and long-term foster care services) and those providers that conduct suitability assessments and provide recommendations on such assessments. In this announcement, providers are referred to as “Recipients.” The children, although placed in the physical custody of the Recipient, remain entirely in the custody of the Federal Government.

I. Funding Opportunity Description

Legislative Authority: This program is authorized by section 462 of the Homeland Security Act of 2002, (6 U.S.C. 279) which, in March 2003, transferred responsibility of the Unaccompanied Alien Children’s Program from the Commissioner of the former Immigration and Naturalization Service (INS) to the Director of the Office of Refugee Resettlement (ORR) of the Department of Health and Human Services (HHS).

The Director of ORR is encouraged to use the refugee children foster care system established pursuant to section 412(d) of the Immigration and Nationality Act (8 U.S.C. 1522(d)) for the placement of UAC. All programs must comply with the *Flores Settlement Agreement* and regulations that will be published.
