DEPARTMENT OF EDUCATION

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The Leader, Regulatory Information Management Group, Office of the Chief Information Officer, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before July 13, 2001.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Regulatory Information Management Group, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Title: Streamlined Process for Education Department General Administrative Regulations (EDGAR) Approved Grant Applications.

Frequency: Annually.

Affected Public: State, Local, or Tribal Gov't, SEAs or LEAs; Businesses or other for-profit; Not-for-profit institutions.

Reporting and Recordkeeping Hour Burden: Responses: 1—Burden Hours: 1.

Abstract: Since April 1997, EDGAR's menu of selection criteria became effective. For each competition, the Secretary would select one or more criteria that best enable the Department to identify the highest quality applications consistent with the program purpose, statutory requirements, and any priorities established. This allows the Secretary the flexibility to weigh the criteria according to the needs of each individual program. This menu of selection criteria will provide the Department the flexibility to choose a set of criteria tailored to a given competition and obviate the need to create specific selection criteria through individual program regulations. ED is requesting a streamlined clearance process for programs of approved applications who choose to change: (1) Criteria from the same EDGAR menu; (2) old EDGAR to new EDGAR criteria, or (3) program criteria to EDGAR criteria.
