AGENCY: Office of the Secretary, Interior.

ACTION: Notice.

SUMMARY: The Secretary of the Interior (Secretary) is publishing this notice in accordance with the Choctaw Nation of Oklahoma and the Chickasaw Nation

Water Rights Settlement (Settlement Act). The publication of this notice causes the settlement agreement executed in accordance with the Settlement Act to become enforceable and causes waivers and releases of claims executed pursuant to the Settlement Act to become effective.

DATES: This notice is applicable February 28, 2024.

FOR FURTHER INFORMATION CONTACT:

Address all comments and requests for additional information to Sarah LeFlore, Chair, Choctaw-Chickasaw Settlement Implementation Team, Secretary's Indian Water Rights Office, 1849 C St. NW, Mail Stop 3045, Washington, DC

SUPPLEMENTARY INFORMATION: The Settlement Act, Public Law 114–322, was enacted to resolve certain claims to water of the Choctaw Nation of Oklahoma (Choctaw Nation) and the Chickasaw Nation as set forth in the State of Oklahoma, Choctaw Nation, Chickasaw Nation, City of Oklahoma City Water Settlement Agreement (Settlement Agreement) and the Settlement Act, including all claims or defenses in and to *Chickasaw Nation and Choctaw Nation of Oklahoma v. Fallin, et al.*, Case No. CIV 11–927–G (W.D. Okla.) and *Oklahoma Water Resources Board v. United States, et al.*, Case No. CIV 12–275–G (W.D. Okla.). The Settlement Parties include the Choctaw Nation, Chickasaw Nation, State of Oklahoma (State, including the Oklahoma Water Resources Board (OWRB)), City of Oklahoma City (City), Oklahoma City Water Utilities Trust (Trust), and the United States.

The Settlement Act and Settlement Agreement, *inter alia*, recognize and protect the Chickasaw Nation and Choctaw Nation's respective existing water uses and also provides procedures for expanded water uses in the future; create mechanisms by which the Nations will participate in the OWRB's consideration of certain applications to appropriate water within their historic treaty territories; and resolve certain issues related to Sardis Reservoir. Although section 3608(i)(2) of the Settlement Act established September 30, 2020 as the original deadline by which the findings herein were to be certified, the Settlement Parties twice extended the deadline pursuant to section 3608(i)(4) of the Settlement Act. The current deadline for this certification runs until March 31, 2024.

Description

In 1978 and 1979, human remains representing, at minimum, 21 individuals were removed from site 5LP 117 (also referred to as 5LP 138), in La Plata County, CO. These were recovered during survey and salvage excavations conducted on private land in the Bodo Industrial Park south of Durango along the Animas River under the direction of Dr. Susan Riches as part of Fort Lewis College summer field school classes. The 1978 excavation was assigned site number 5LP 117 and initially, the 1979 excavations were assigned 5LP 138, however, according to documentation, Dr. Riches concluded that this was a continuation of the 5LP 117 site. Bags, labels, and other documentation may list 5LP 138, but this all refers to the 1979 summer excavations of site 5LP 117. No associated funerary objects are present. Based on the artifactual evidence, this site is designated as Ancestral Pueblo from the Pueblo I period (A.D. 700–840) (Charles, MC, 1996. “The Emergency Excavations of Three Human Burials in Bodo Industrial Ranches, La Plata County, CO”).

Between 1984 and 1997, human remains representing, at minimum, nine individuals were removed from site 5MT 4802 (the Pigg site), in Montezuma County, CO, under the direction of Jim Judge as part of Fort Lewis College field school classes. No associated funerary objects are present. Based on architectural and artifactual evidence, this site is designated as Ancestral Pueblo from the Pueblo II/III period (A.D. 1150–1250).

Cultural Affiliation

The human remains in this notice are connected to one or more identifiable earlier groups, tribes, peoples, or cultures. There is a relationship of shared group identity between the identifiable earlier groups, tribes, peoples, or cultures and one or more Indian Tribes or Native Hawaiian organizations.
