Farm Service Agency

Title: United States Warehouse Act (USWA).

OMB Control Number: 0560-0120.

Summary of Collection: The Secretary of Agriculture authorizes the Farm Service Agency (FSA) as specified in the USWA to license public warehouse operators that are in the business of storing agricultural products; to examine such federally-licensed warehouses and to license qualified persons to sample, inspect, weigh, and classify agricultural products. FSA licenses over half of all commercial grain and cotton warehouse capacities in the United States. The USWA and Commodity Credit Corporation (CCC) functions are administered by FSA. Although there are several types of warehouses covered under the USWA and CCC function, the reporting requirements within a particular warehouse type are essentially the same. With some exceptions, the same forms are used bilaterally, that is, they are used for both USWA licensing and CCC purposes.

Need and Use of the Information: FSA will collect information as a basis to (1) Determine whether or not the warehouse and the warehouse operator making application for licensing and/or approval meets applicable standards; (2) issue such license or approvals; and (3) determine, once licensed or approved, that the licensee or warehouse operator continues to meet such standards and is conforming to regulatory or contractual obligations. Warehouses not meeting financial, bonding, operational or general approval standards may be denied and agreement (contract) unless a waiver is granted by the President or Executive Vice President of CCC.

Food and Nutrition Service

Title: 7 CFR part 235 State Administrative Expense Funds.

OMB Control Number: 0584-0067.

Summary of Collection: Because the Food and Nutrition Service (FNS) is accountable for State Administrative Expense (SAE) funds by fiscal year, State Agencies (SAs) are requested to report their SAE budget information on that basis. If the State budgets coincide with a fiscal year other than that used by the Federal government, the SA must convert its State budget figures to

amounts to be used during the applicable Federal fiscal year for this purpose. In 7 CFR part 235, State Administrative Expense Funds, there are five reporting requirements, which necessitate the collection of information. They are as follows: SAE Plan, Reallocation Report, Coordinated Review Effort (CRE) Data Base Update, Report of SAE Funds Usage, and Responses to Sanctions. SAs also must maintain records pertaining to SAE. These include Ledger Accounts, Source Documents, Equipment Records and Record on State Appropriated Funds. FNS will collect information using forms FNS-74 and 525.

Need and Use of the Information: FNS will collect information on the total SAE cost the SA expects to incur in the course of administering the Child Nutrition Programs (CNPs); the indirect cost rate used by the SA in charging indirect cost to SAE, together with the name of the Federal agency that assigned the rate and the date the rate was assigned; breakdown of the current year's SAE budget between the amount allocated for the current year and the amount carried over from the prior year; and the number and types of personnel currently employed in administering the CNPs. The information is used to determine whether SA intends to use SAE funds for purposes allowable under OMB Circular A-87, Cost Principles for State and Local Governments; does SA's administrative budget provide for sufficient funding from State sources to meet the Maintenance of Effort requirement; and is SA's staff adequate to effectively administer the programs covered by the SA's agreement with FNS.

Title: Supplemental Nutrition Assistance Program (SNAP) Employment and Training (E & T) Program Activity Report.

OMB Control Number: 0584-0339.

Summary of Collection: The Balanced Budget Act of 1997 (Pub. L. 105-33), enacted on August 5, 1997, modified the Employment and Training (E&T) Program so that States' efforts are now focused on a particular segment of the Supplemental Nutrition Assistance Program (SNAP) (formerly known as the Food Stamp Program) population—able-bodied adults without dependents (ABAWDs). Section 6(d) of the Food Stamp Act of 1977 and 7 CFR 273.7

require each SNAP household members who is not exempt shall be registered for employment by the State agency at the time of application and once every twelve months thereafter, as a condition of eligibility. This requirement pertains to non-exempt SNAP household members age 16 to 60. Each State agency must screen each work registrant to determine whether to refer the individual to its E&T Program. States' E&T Programs are federally funded through an annual E&T grant. Both the Food Stamp Act and regulations require States to file quarterly reports about their E&T Programs so that the Food and Nutrition Service (FNS) can monitor their performance.

Need and Use of the Information: FNS will collect quarterly reports about their E&T programs so that the Department can monitor State performance to ensure that the program is being efficiently and economically operated. Without the information FNS would be unable to make adjustments or allocate exemptions in accordance with the statute.

Title: Waivers Under Section 6(o) of the Food and Nutrition Act.

OMB Control Number: 0584-0479.

Summary of Collection: Section 824 of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193 (PRWORA) establishes a time limit for the receipt of Supplemental Nutrition Assistance Program (SNAP) (*formerly known as the Food Stamp Program*) benefits for certain able-bodied adults who are not working. The provision authorizes the Secretary of Agriculture, upon a State agency's request, to waive the provision for any group of individuals if the Secretary determines "that the areas in which the individuals reside has an unemployment rate of over 10 percent or does not have a sufficient number of jobs to provide employment for the individuals."

Need and Use of the Information: The Food and Nutrition Service uses the information provided by State SNAP agencies to evaluate whether the statutory requirements for a waiver of the SNAP time limit have been met and to determine specifically whether the designated areas' unemployment rate is over ten percent or if there is a lack of sufficient jobs available. If the

information is not collected, the State SNAP agencies could not obtain waivers of time limits contained in Section 6(o) of the Act.

Food and Nutrition Service

Title: Supplemental Nutrition Assistance Program (SNAP) Pre-Screening Tool.

OMB Control Number: 0584-0519.

Summary of Collection: Consistent with Section 5 of the Food Stamp Act of 1977, the Food and Nutrition Service (FNS) has initiated this program to enable potential Supplemental Nutrition Assistance Program (SNAP) (*formerly known as the Food Stamp Program*) applicants to assess their eligibility and the order of magnitude of the potential benefit they may qualify for. This Pre-Screening Tool also enables citizen advocacy groups to help constituents assess their benefit eligibility. This will also help the Supplemental Nutrition Assistance Program fulfill its role as a means-tested program in accordance with Section 5 of the Food Stamp Act and Part 273 of the SNAP regulations.

Need and Use of the Information: This SNAP Pre-Screening Tool will be accessible to the public as an online Web-based system. The user will be prompted to enter household size, income, expenses and resource information, and the tool will calculate and provide the user with an estimated range of benefits that the household may be eligible to receive. This information will help FNS determine the degree and type of system usage as well as potential areas for further study.

The Food and Nutrition Service (FNS) User Access Request Form, FNS-674, is designed for this purpose and will be used in all situations where access to an FNS computer system is required, where current access is required to be modified, or where access is no longer required and must be deleted. Users who access FNS systems are: State agencies, other Federal agencies, FNS Regional offices, FNS Field offices, FNS Compliance Offices, staff contractors, and FNS headquarters staff.

Need and Use of the Information: The State Coordinator is responsible for ensuring that State users and entities comply with the FNS Information Systems Security Guidelines and the Procedures Handbook 702 developed for State systems for their use in maintaining proper controls over FNS security features used by State clients. The information to be collected is: Name, e-Authentication ID, telephone number, home zip code, email address, contract expiration date, temporary employee expiration date, office address, State/locality codes, system name, form type, type of access, action requested, comments and special instructions.
