

of precedent for privately funded beach restoration or creation on adjacent public conservation lands.

The decision whether to issue a DA permit will be based on an evaluation of the probable impacts, including cumulative impacts, of the proposed activity on the public interest. That decision will reflect the national concern for both protection and utilization of important resources. The benefit, which reasonably may be expected to accrue from the proposal, must be balanced against its reasonably foreseeable detriments. All factors which may be relevant to the proposal will be considered, including the cumulative effects thereof; among these are conservation, economics, aesthetics, general environmental concerns, wetlands, historic values, fish and wildlife values, flood hazards, floodplain values, land use, navigation, shoreline erosion and accretion, recreation, water supply and conservation, water quality, energy needs, safety, food and fiber production, mineral needs, considerations of property ownership and, in general, the needs and welfare of the people. Evaluation of the impact of the activity on the public interest will include application of the guidelines promulgated by the Administrator, Environmental Protection Agency (40 CFR part 230).

The Corps will invite the National Marine Fisheries Service and U.S. Fish and Wildlife Service to be cooperating agencies in preparation of the DEIS. The Corps anticipates that consultations will be required pursuant to provisions of the Magnuson-Stevens Fishery Conservation and Management Act, Section 7 of the Endangered Species Act, and Section 106 of the National Historic Preservation Act. Before a final DA permit can be issued, the applicant must first obtain a Hawai'i Coastal Zone Management (CZM) Program federal consistency certification issued by the State of Hawai'i Department of Business, Economic Development and Tourism, and a Clean Water Act Section 401 Water Quality Certification, or waiver thereof, issued by the State of Hawai'i Department of Health.

The Corps invites participation in the EIS process of affected federal, state and local agencies; affected Hawaiian organizations, individuals and practitioners; and other interested private organizations and parties. The applicant has issued a state-level EIS Preparation Notice (EISPN) pursuant to requirements of the Hawai'i Revised Statutes (HRS Chapter 343) stating that the applicant anticipates preparation of a joint state and federal EIS document.

All comments received in response to this NOI and the state EISPN will be considered when determining the scope of the combined DEIS. To the extent practicable, federal and state requirements will be coordinated in the preparation of the joint document.

A public scoping meeting will be held on Wednesday, December 17, 2008, at the Waikiki Community Center, 310 Paoakalani Avenue, Honolulu, Hawaii, from 6:30 p.m. until 8:30 p.m., to help determine the scope of analysis of the proposed action. The scoping meeting will also be announced in local media. Interested parties are encouraged to express their views during the scoping process and throughout the development of alternatives and the joint DEIS. To be most helpful, comments should clearly describe specific environmental topics or issues which the commenter believes the document should address. Further information concerning the proposed or the scoping meeting may be obtained from Peter C. Galloway (see **ADDRESSES**). The DEIS is expected to be published and circulated for review in mid-2009, and the final EIS is expected to be completed 4 to 6 months later.

Dated: November 7, 2008.

(3) Projects that provide support for medical residents enrolled in residency training programs in the specialty of physical medicine and rehabilitation.

Priority: This priority is from the notice of final priority for this program, published in the **Federal Register** on October 16, 1998 (63 FR 55764).

Absolute Priority: For FY 2009, this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

Comprehensive System of Personnel Development.

Projects must—

(1) Provide training to currently employed vocational rehabilitation (VR)

counselors, including VR counselors with disabilities and VR counselors representing ethnic minorities, that leads to an academic degree or academic certificate, and can be used to meet the designated State unit (DSU) personnel standards required under section 101(a)(7) of the Rehabilitation Act of 1973, as amended, commonly referred to as the Comprehensive System of Personnel Development (CSPD);

(2) Provide the training that is required to meet the qualifications for the academic degrees and academic certificates specified in the CSPD plans of the States with which the project will be working; and

(3) Develop innovative approaches (e.g., distance learning, competency-based programs) to maximize participation in, and improve the effectiveness of, project training.

The regulations in 34 CFR 386.31(b) require that a minimum of 75 percent of project funds be used to support student scholarships and stipends. The regulations also provide that the Secretary may waive this requirement under certain circumstances, e.g., when a new training program is established.

Program Authority: 29 U.S.C. 772.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, 86, and 99. The actual level of funding, if any, depends on final congressional action. However, we are inviting applications to allow enough time to complete the grant process if Congress appropriates funds for this program.

Estimated Range of Awards: \$175,000–\$200,000.

Estimated Average Size of Awards: \$190,000

Maximum Award: We will reject any application that proposes a budget exceeding \$200,000 for a single budget

period of 12 months. The Assistant Secretary for Special Education and Rehabilitative Services may change the maximum amount through a notice published in the **Federal Register**.

Estimated Number of Awards: 6.

Note: The Department is not bound by any estimates in this notice.

Project Period: Up to 60 months.

III. Eligibility Information

1. **Eligible Applicants:** States and public or nonprofit agencies and organizations, including Indian tribes and institutions of higher education.

2. **Cost Sharing or Matching:** Cost sharing of at least 10 percent of the total cost of the project is required of grantees under the Rehabilitation Training: Rehabilitation Long-Term Training program (34 CFR 386.30).

Note: Under 34 CFR 75.562(c), an indirect cost reimbursement on a training grant is limited to the recipient's actual indirect costs, as determined by its negotiated indirect cost rate agreement, or eight percent of a modified total direct cost base, whichever amount is less. The eight percent limit does not apply to agencies of State or local governments, including Federally recognized Indian tribal governments, as defined in 34 CFR 80.3. Indirect costs in excess of the eight percent limit may not be charged directly, used to satisfy matching or cost-sharing requirements, or charged to another Federal award.

Deadline for Intergovernmental Review: March 2, 2009.

4. *Intergovernmental Review:* This competition is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this competition.

5. *Funding Restrictions:* We reference regulations outlining funding restrictions in the Applicable Regulations section in this notice.

6. *Other Submission Requirements:* Applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications.

Applications for grants under the Rehabilitation Training: Rehabilitation Long-Term Training—Comprehensive System of Personnel Development competition, CFDA Number 84.129W, must be submitted electronically using the Governmentwide Grants.gov Apply site at <http://www.Grants.gov>. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

You may access the electronic grant application for the Rehabilitation Training: Rehabilitation Long-Term Training—Comprehensive System of Personnel Development program at <http://www.Grants.gov>. You must search for the downloadable application

package for this competition by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.129, not 84.129W).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.

- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30:00 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received—that is, date and time stamped by the Grants.gov system—after 4:30:00 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30:00 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this competition to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov at <http://e-Grants.ed.gov/help/GrantsgovSubmissionProcedures.pdf>.

- To submit your application via Grants.gov, you must complete all steps in the Grants.gov registration process (see http://www.grants.gov/applicants/get_registered.jsp). These steps include (1) registering your organization, a multi-part process that includes registration with the Central Contractor Registry (CCR); (2) registering yourself as an Authorized Organization Representative (AOR); and (3) getting authorized as an AOR by your organization. Details on these steps are outlined in the Grants.gov 3-Step Registration Guide (see <http://www.grants.gov/section910/Grants.govRegistrationBrochure.pdf>).

www.grants.gov/section910/Grants.govRegistrationBrochure.pdf). You also must provide on your application the same D–U–N–S Number used with this registration. Please note that the registration process may take five or more business days to complete, and you must have completed all registration steps to allow you to submit successfully an application via Grants.gov. In addition you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. Please note that two of these forms—the SF 424 and the Department of Education Supplemental Information for SF 424—have replaced the ED 424 (Application for Federal Education Assistance).

- You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your application from Grants.gov and send a second notification to you by e-mail. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System: If you are

experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30:00 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30:00 p.m., Washington, DC time, on the application deadline date, please contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII in this notice and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30:00 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because—

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to the Grants.gov system; and
- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an

exception prevent you from using the Internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Beverly Steburg, U.S. Department of Education, 400 Maryland Avenue, SW., room 5049, Potomac Center Plaza (PCP), Washington, DC 20202-2800. FAX: (202) 245-7591.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

b. Submission of Paper Applications by Mail.

If you qualify for an exception to the electronic submission requirement, you may mail (through the U.S. Postal Service or a commercial carrier) your application to the Department. You must mail the original and two copies of your application, on or before the application deadline date, to the Department at the applicable following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.129W) LBJ Basement Level 1, 400 Maryland Avenue, SW., Washington, DC 20202-4260.

You must show proof of mailing consisting of one of the following:

- (2) A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.
- (3) A dated shipping label, invoice, or receipt from a commercial carrier.
- (4) Any other proof of mailing acceptable to the Secretary of the U.S. Department of Education.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

- (1) A private metered postmark.
- (2) A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will not consider your application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

c. Submission of Paper Applications by Hand Delivery.

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by

hand. You must deliver the original and two copies of your application by hand, on or before the application deadline date, to the Department at the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.129W) 550 12th Street, SW., Room 7041, Potomac Center Plaza, Washington, DC 20202-4260.

The Application Control Center accepts hand deliveries daily between 8:00 a.m. and 4:30:00 p.m., Washington, DC time, except Saturdays, Sundays, and Federal holidays. *Note for Mail or Hand Delivery of Paper Applications:* If you mail or hand deliver your application to the Department—

(1) You must indicate on the envelope and—if not provided by the Department—in Item 11 of the SF 424 the CFDA number, including suffix letter, if any, of the competition under which you are submitting your application; and

(2) The Application Control Center will mail to you a notification of receipt of your grant application. If you do not receive this notification within 15 business days from the application deadline date, you should call the U.S. Department of Education Application Control Center at (202) 245-6288.

V. Application Review Information

Selection Criteria: The selection criteria for this competition are from 34 CFR 75.210 and 34 CFR 386.20 and are listed in the application package.

VI. Award Administration Information

1. Award Notices: If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. Reporting: At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual

performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

4. *Performance Measures:* The Government Performance and Results Act (GPRA) of 1993 directs Federal departments and agencies to improve the effectiveness of programs by engaging in strategic planning, setting outcome-related goals for programs, and measuring program results against those goals.

The goal of the Rehabilitation Services Administration's (RSA) Rehabilitation Training: Rehabilitation Long-Term Training program is to increase the number of qualified VR personnel working in State VR agencies or related agencies. At least 75 percent of all grant funds must be used for direct payment of student scholarships. Each grantee is required to track students receiving scholarships and must maintain information on the cumulative support granted to RSA scholars, scholar-debt in years, program completion data for each scholar, dates each scholar's work begins and is completed to meet his or her payback agreement, current home address, and the place of employment of individual scholars.

Grantees are required to report annually to RSA on these data using the RSA Grantee Reporting Form, OMB# 1820-0617, an electronic reporting system. The RSA Grantee Reporting Form collects specific data including the number of RSA scholars entering the rehabilitation workforce, the rehabilitation field each scholar enters, and the type of employment setting each scholar chooses (e.g., State agency, nonprofit service provider, or practice group). This form allows RSA to measure results against the goal of increasing the number of qualified VR personnel working in State VR agencies or related agencies.

I. Funding Opportunity Description

Purpose of Program: The Rehabilitation Long-Term Training program provides financial assistance for—

(1) Projects that provide basic or advanced training leading to an academic degree in areas of personnel shortages in rehabilitation as identified by the Secretary;

(2) Projects that provide a specified series of courses or program of study leading to the award of a certificate in areas of personnel shortages in rehabilitation as identified by the Secretary; and

(3) Projects that provide support for medical residents enrolled in residency training programs in the specialty of physical medicine and rehabilitation.

Priorities: This priority contains one absolute priority and one invitational priority.

Absolute Priority: This priority is from the notice of final priority for this program, published in the **Federal Register** on January 15, 2003 (68 FR 2166).

For FY 2009, this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

Partnership with the State Vocational Rehabilitation Agency.

This priority supports projects that will increase the knowledge of students of the role and responsibilities of the vocational rehabilitation (VR) counselor and of the benefits of counseling in State VR agencies. This priority focuses attention on and intends to strengthen the unique role of rehabilitation educators and State VR agencies in the preparation of qualified VR counselors by increasing or creating ongoing collaboration between institutions of higher education and State VR agencies.

Projects funded under this priority must include within the degree program information about and experience in the State VR system. Projects must include partnering activities for students with the State VR agency including experimental activities such as formal internships or practicum agreements. In addition, experimental activities for students with community-based rehabilitation service providers are encouraged.

Projects must include an evaluation of the impact of project activities.

Within this absolute priority, we are particularly interested in applications that address the following invitational priority.

Invitational Priority: Under 34 CFR 75.105(c)(1) we do not give an application that meets this invitational priority a competitive or absolute preference over other applications.

This priority is:

Distance Learning.
