**SUPPLEMENTARY INFORMATION:** Pursuant to the National Environmental Policy Act of 1969, as amended, and the Federal Land Policy and Management Act of 1976, as amended, the BLM published on September 10, 2010, its NOI to prepare a RMP and associated EIS (75 FR 55344). The RMP/EIS would have analyzed the impacts of long-term management of resources, activities, and uses across 2.1 million acres of public land in the BLM Cedar City Field Office. Due to the length of time since the public scoping process was completed and the changed circumstances and resource management pressures that have occurred in the planning area during that time, the BLM is rescinding its NOI to prepare a RMP and is terminating the EIS announced in the **Federal Register** at 75 FR 55344.
