

and will play a key role in the planning and coordination of export activities in Central California communities. As representatives of the local exporting community, DEC Members must reside in, or conduct the majority of their work in, the territory that the DEC covers which includes the counties of Fresno, Inyo, Kern, Kings, Madera, Mariposa, Merced, Mono, San Luis Obispo, Stanislaus, Tulare, Tuolumne, and surrounding areas.

DATES: Nominations must be submitted by 5:00 p.m. PDT on August 17, 2018.

ADDRESSES: Contact Glen Roberts, the Director of the Fresno USEAC at (559) 348-9859 or Glen.Roberts@Trade.gov for information on how to submit your nomination on-line.

FOR FURTHER INFORMATION CONTACT: Please contact Glen Roberts, the Director of the Fresno USEAC at (559) 348-9859 or Glen.Roberts@Trade.gov for more information on the CenCal DEC and the nomination process. For general program information, contact Laura Barmby, National DEC Liaison, U.S. & Foreign Commercial Service, at (202) 482-2675.

SUPPLEMENTARY INFORMATION: District Export Councils support the mission of US&FCS by facilitating the development of an effective local export assistance network, supporting the expansion of export opportunities for local U.S. companies, serving as a communication link between the business community and US&FCS, and assisting in coordinating the activities of trade assistance partners to leverage available resources. Individuals appointed to a DEC become part of a select corps of trade experts dedicated to providing international trade leadership and guidance to the local business community and assistance to the Department of Commerce on export development issues.

Nomination Process: Each DEC has a maximum membership of 35 appointed to staggered four-year terms. Because the CenCal DEC will be a new DEC, up to 17 members will be appointed from the date of appointment until December 31, 2019, and up to 18 individuals will be appointed from the date of appointment until December 31, 2021. All potential nominees must complete an online nomination form and consent, if appointed, to sharing of their contact information with the National Association of District Export Councils; trade and industry associations; and with Federal, State, and local government agencies with an interest in trade.

Eligibility and Appointment Criteria: Appointment is based upon an

individual's international trade leadership in the local community, ability to influence the local environment for exporting, knowledge of day-to-day international operations, interest in export development, and willingness and ability to devote time to DEC activities. Members must be employed as exporters or export service providers or in a profession which supports U.S. export promotion efforts. Members include exporters, export service providers and others whose profession supports U.S. export promotion efforts. DEC member appointments are made without regard to political affiliation. DEC membership is open to U.S. citizens and permanent residents of the United States. As representatives of the local exporting community, DEC Members must reside in, or conduct the majority of their work in, the territory that the DEC covers. DEC membership is not open to federal government employees, or individuals representing foreign governments, including individuals registered with the Department of Justice under the Foreign Agents Registration Act.

Selection Process: Nominations of individuals who have applied for DEC membership will be forwarded to the Fresno USEAC Director for consideration. The Fresno USEAC Director ensures that all nominees meet the membership criteria outlined below. The Fresno USEAC Director then evaluates all nominations to determine their interest, commitment, and qualifications. In reviewing nominations, the Fresno USEAC Director strives to ensure a balance among exporters from a manufacturing or service industry and export service providers. A fair representation should be considered from companies and organizations that support exporters, representatives of local and state government, and trade organizations and associations. Membership should reflect the diversity of the local business community, encompass a broad range of businesses and industry sectors, and be distributed geographically across the DEC service area.

The Executive Secretary determines which nominees to forward to the US&FCS Office of U.S. Operations for further consideration for recommendation to the Secretary of Commerce. A candidate's background and character are pertinent to determining suitability and eligibility for DEC membership. Since DEC appointments are made by the Secretary, the Department must make a suitability determination for all DEC nominees. After completion of a vetting process, the Secretary selects nominees

for appointment to local DEC. DEC members are appointed by and serve at the pleasure of the Secretary of Commerce.

Stainless Steel Sheet and Strip From the People's Republic of China: Rescission of Antidumping Duty Administrative Review; 2016-2018

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is rescinding the administrative review of the antidumping duty (AD) order on stainless steel sheet and strip (SSSS) from the People's Republic of China (China) for the period September 19, 2016, through March 31, 2018.

DATES: *Applicable Date:* August 6, 2018.

FOR FURTHER INFORMATION CONTACT: Chloe Sagmoe and Kathryn Wallace, Enforcement and Compliance, AD/CVD Operations, Office VII, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2273 and (202) 482-6251.

Background

On April 2, 2018, Commerce published a notice of opportunity to request an administrative review of the antidumping order on SSSS from China for the period September 19, 2016 through March 31, 2018.¹ On April 30, 2018, Hans-Mill Corporation and C.Y. Housewares (Dongguan) Co., Ltd. (C.Y. Housewares), requested an administrative review of its exports of subject merchandise to the United States.² Additionally, on April 30, 2018, the petitioners³ requested an

administrative review with respect to the U.S. entries of subject merchandise that were produced in or exported from China by the companies listed in the Appendix.⁴ On June 6, 2018, in accordance with section 751(a) the Act and 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the order on SSSS from China with respect to the requested companies.⁵ On June 20, 2018, the petitioners timely withdrew their requests for an administrative review of all 152 companies listed in Appendix I.⁶ On July 3, 2018, C.Y. Housewares also timely withdrew its request for an administrative review.⁷

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, “in whole or in part, if a party that requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review.” The petitioners and C.Y. Housewares both withdrew their requests within the 90-day time limit. Because we received no other requests for review of the order on SSSS from China, we are rescinding the administrative review of the order in full, in accordance with 19 CFR 351.213(d)(1).

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping on all appropriate entries of SSSS from China during the POR at rates equal to the cash deposit rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate instructions to CBP 15 days after publication of this notice in the **Federal Register**.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR

351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to the administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under an APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: July 31, 2018.

James Maeder,

Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations performing the duties of Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
