We issued the requested permit subject to certain conditions set forth in the permit. For the application, we found that (1) the application was filed in good faith, (2) the granted permit would not operate to the disadvantage of the endangered species, and (3) the granted permit would be consistent with the purposes and policy set forth in section 2 of the ESA.

**PERMIT ISSUED UNDER EMERGENCY EXEMPTION**

Permit No.	Applicant	Permit issuance date
PER14597798 .....	Wildlife Conservation Society .....	February 10, 2025.

The Wildlife Conservation Society requested a permit to import up to 1,875 biological samples from captive-held, confiscated radiated tortoises in Madagascar, due a recent die-off of these tortoises from an unknown cause that has halted re-introduction efforts. The Service determined that an emergency affecting the health of these captive-held tortoises existed and that no reasonable alternative was available to the applicant.

On February 10, 2025, the Service issued permit no. PER14597798 to the Wildlife Conservation Society to import up to 1,875 biological samples from captive-held, confiscated radiated tortoises for the purpose of enhancement of the survival of the species.

**Authority**

We issue this notice under the authority of the Endangered Species Act

of 1973, as amended (ESA; 16 U.S.C. 1531 *et seq.*), and its implementing regulations.
