

because the Line connects only to FG&A, (*see* Pet., Ex. 1–A), there is no risk that FG&A may foreclose interchange with other connecting carriers or that shippers will otherwise lose access to alternative rail service as a result of the transaction. Further, no shipper (or any other entity) has objected to the proposed control transaction or NFIR's lease and operation of the line in Docket No. FD 36824.

Under 49 U.S.C. 10502(g), the Board may not use its exemption authority to relieve a carrier of its statutory obligation to protect the interests of employees. Section 11326(c), however, does not provide for labor protection for transactions under sections 11324 and 11325 that involve only Class III rail carriers. Therefore, because all of the carriers involved in the continuance in control transaction are Class III carriers, the Board may not impose labor protective conditions.

The control transaction is exempt from environmental reporting requirements under 49 CFR 1105.6(c)(1)(i) because it will not result in any significant change in carrier operations. Similarly, the transaction is exempt from the historic reporting requirements under 49 CFR 1105.8(b)(3) because it will not substantially change the level of maintenance of railroad properties.

It is ordered:

1. Under 49 U.S.C. 10502, the Board exempts from the prior approval requirements of 49 U.S.C. 11323–25 Petitioners' continuance in control of NFIR when NFIR becomes a Class III rail carrier.

2. Notice of the exemption will be published in the **Federal Register**.

3. The continuance in control exemption in Docket No. FD 36823 will become effective on April 11, 2025. Petitions for stay must be filed by March 24, 2025. Petitions to reopen must be filed by April 1, 2025.

4. NFIR's lease and operation exemption in Docket No. FD 36824 will be effective on April 11, 2025. Petitions for stay must be filed by April 1, 2025.

Decided: March 12, 2025.

By the Board, Board Members Fuchs, Hedlund, Primus, and Schultz.

Eden Besera,

Clearance Clerk.
