

Friday, November 17, 2023

Open Meeting: 9:00 a.m.–2:30 p.m.
(Hybrid Meeting)

On Friday, November 17, 2023, the Board will convene in open session from 9:00 a.m. to 9:45 a.m. to discuss and take action on the 2028 NAEP Science Assessment Framework. From 9:45 a.m. to 10:30 a.m., the Board will engage in open discussion. The Board will continue discussions and take action on the NAEP Assessment Schedule from 10:30 a.m. to 1 p.m. followed by a fifteen-minute break from 1 p.m.–1:15 p.m. From 1:15 p.m. to 2:30 p.m., the Board will receive an update on Artificial Intelligence and NAEP. The November 17, 2023, session of the Governing Board meeting will adjourn at 2:30 p.m.

Instructions for Accessing and Attending the Meetings

Registration: Members of the public may attend the November 16 and November 17, 2023, meetings of the full Governing Board either in person or virtually. A link to the final meeting agenda and information on how to register for virtual attendance for the open sessions will be posted on the Governing Board's website at www.nagb.gov no later than five business days prior to the meeting. Registration is required to join the meeting virtually.

Public Comment: Written comments related to the work of the Governing Board and its standing committees may be submitted to the attention of the Executive Officer/DFO no later than 10 business days prior to the meeting. Written comments may be submitted either via email to Munira.Mwalimu@ed.gov or in hard copy to the address listed above. Written comments should reference the relevant agenda item.

Access to Records of the Meeting: Pursuant to 5 U.S.C. 1009, the public may inspect the meeting materials at www.nagb.gov, which will be posted no later than five business days prior to each meeting. The public may also inspect the meeting materials and other Governing Board records at 800 North Capitol Street NW, Suite 825, Washington, DC 20002, by emailing Munira.Mwalimu@ed.gov to schedule an appointment. The official verbatim transcripts of the open meeting sessions will be available for public inspection no later than 30 calendar days following each meeting and will be posted on the Governing Board's website. Requests for the verbatim transcripts may be made via email to the DFO.

Reasonable Accommodations: The meeting location is accessible to

individuals with disabilities. If you will need an auxiliary aid or service to participate in the meeting (e.g., interpreting service, assistive listening device, or materials in an alternate format), notify the DFO listed in this notice no later than ten working days prior to each meeting date.

Electronic Access to This Document: The official version of this document is the document published in the **Federal Register**. Internet access to the official edition of the **Federal Register** and the Code of Federal Regulations is available via the Federal Digital System at: www.gpo.gov/fdsys. At this site you can view this document, as well as all other documents of this Department published in the **Federal Register**, in text or Adobe Portable Document Format (PDF). To use PDF, you must have Adobe Acrobat Reader, which is available free at the Adobe website. You may also access documents of the Department published in the **Federal Register** by using the article search feature at: www.federalregister.gov. Specifically, through the advanced search feature at this site, you can limit your search to documents published by the Department.

Authority: Pub. L. 107–279, title III, section 301—National Assessment of Educational Progress Authorization Act (20 U.S.C. 9621).

Lesley Muldoon,

Executive Director, National Assessment Governing Board (NAGB), U.S. Department of Education.

BILLING CODE 4000–01–P

DEPARTMENT OF EDUCATION

Submission of Data by State Educational Agencies; Submission Dates for State Revenue and Expenditure Reports for Fiscal Year 2023, Revisions to Those Reports, and Revisions to Prior Fiscal Year Reports

AGENCY: National Center for Education Statistics, Institute of Education Sciences, U.S. Department of Education.

ACTION: Notice.

SUMMARY: The Secretary announces dates for State educational agencies (SEAs) to submit expenditure and revenue data and average daily attendance statistics on ED Form 2447 (the National Public Education Financial Survey (NPEFS)) for fiscal year (FY) 2023, revisions to those reports, and revisions to reports for previous fiscal years. The Secretary sets these dates to ensure that data are available to serve as the basis for timely

distribution of Federal funds. The U.S. Census Bureau is the data collection agent for this request of the U.S. Department of Education's (Department) National Center for Education Statistics (NCES). The data will be published by NCES and will be used by the Secretary in the calculation of allocations for FY 2025 appropriated funds.

DATES: SEAs can begin submitting data for FY 2023 and revisions to previously submitted data for FY 2022 on Wednesday, January 31, 2024. SEAs are urged to submit accurate and complete data by Friday, March 29, 2024, to facilitate timely processing. The deadline for the final submission of all data, including any revisions to previously submitted data for FY 2022 and FY 2023, is Thursday, August 15, 2024. Any resubmissions of FY 2022 or FY 2023 data by SEAs in response to requests for clarification, reconciliation, or other inquiries by NCES or the Census Bureau must be completed as soon as possible, but no later than Tuesday, September 3, 2024. All outstanding data issues must be reconciled or resolved by the SEAs, NCES, and the Census Bureau as soon as possible, but no later than September 3, 2024.

ADDRESSES: SEAs are encouraged to submit data online using the interactive survey form on the NPEFS data collection website at: <http://surveys.nces.ed.gov/ccdnpefs>. The NPEFS interactive survey includes a digital confirmation page where a personal identification number (PIN) may be entered. A successful entry of the PIN serves as a signature by the authorizing official. Alternatively, a certification form (ED Form 2447) also may be printed from the website, signed by the authorizing official, and mailed to the Economic Reimbursable Surveys Division of the Census Bureau at the address provided below, within five business days after submission of the NPEFS web interactive form.

SEAs may mail ED Form 2447 to: U.S. Census Bureau, ATTENTION: Economic Reimbursable Surveys Division, 4600 Silver Hill Road, Suitland, MD 20746.

If an SEA's submission is received by the Census Bureau after August 15, 2024, the SEA must show one of the following as proof that the submission was mailed on or before that date:

1. A legibly dated U.S. Postal Service postmark.
2. A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.
3. A dated shipping label, invoice, or receipt from a commercial carrier.
4. Any other proof of mailing acceptable to the Secretary.

If the SEA mails ED Form 2447 through the U.S. Postal Service, the Secretary does not accept either of the following as proof of mailing:

- 1. A private metered postmark.
- 2. A mail receipt that is not dated by the U.S. Postal Service.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, an SEA should check with its local post office.

FOR FURTHER INFORMATION CONTACT: Stephen Q. Cornman, Senior Survey Director, Financial Surveys, National Center for Education Statistics, Institute of Education Sciences, U.S. Department of Education, 550 12th Street SW, Washington, DC 20202. Telephone: (202) 245–7753. Email: stephen.cornman@ed.gov. You may also contact an NPEFS team member at the Census Bureau. Telephone: 1–800–437–4196 or (301) 763–1571. Email: erd.npefs.list@census.gov.

If you are deaf, hard of hearing, or have a speech disability and wish to access telecommunications relay services, please dial 7–1–1.

SUPPLEMENTARY INFORMATION: Under section 153(a)(1)(I) of the Education Sciences Reform Act of 2002, 20 U.S.C. 9543(a)(1)(I), which authorizes NCES to gather data on the financing and management of education, NCES collects data annually from SEAs through ED Form 2447. The report from SEAs includes attendance, revenue, and expenditure data from which NCES determines a State’s “average per-pupil expenditure” (SPPE) for elementary and secondary education, as defined in section 8101(2) of the Elementary and Secondary Education Act of 1965, as amended (ESEA) (20 U.S.C. 7801(2)).

In addition to using the SPPE data as general information on the financing of elementary and secondary education, the Secretary uses these data directly in calculating allocations for certain formula grant programs, including, but not limited to, title I, part A, of the ESEA; Impact Aid; and Indian Education programs. Other programs, such as the Education for Homeless Children and Youth program under title VII of the McKinney-Vento Homeless Assistance Act, and the Student Support and Academic Enrichment Grants under title IV, part A of the ESEA, make use of SPPE data indirectly because their formulas are based, in whole or in part, on State title I, part A, allocations.

In January 2024, the Census Bureau, acting as the data collection agent for NCES, will email ED Form 2447 to SEAs, with instructions, and will request that SEAs commence submitting FY 2023 data to the Census Bureau on Wednesday, January 31, 2024. SEAs are urged to submit accurate and complete data by Friday, March 29, 2024, to facilitate timely processing.

Submissions by SEAs to the Census Bureau will be analyzed for accuracy and returned to each SEA for verification. SEAs must submit all data, including any revisions to FY 2022 and FY 2023 data, to the Census Bureau no later than Thursday, August 15, 2024. Any resubmissions of FY 2022 or FY 2023 data by SEAs in response to requests for clarification or reconciliation or other inquiries by NCES or the Census Bureau must be completed by Tuesday, September 3, 2024. Between August 15, 2024, and September 3, 2024, SEAs may also, on their own initiative, resubmit data to

resolve issues not addressed in their NPEFS data submitted by August 15, 2024. All outstanding data issues must be reconciled or resolved by the SEAs, NCES, and the Census Bureau as soon as possible, but no later than September 3, 2024.

In order to facilitate timely submission of data, the Census Bureau will send reminder notices to SEAs in June and July of 2024.

Having accurate, consistent, and timely information is critical to an efficient and fair allocation process and to the NCES statistical process. The Department establishes Thursday, August 15, 2024, as the date by which SEAs must submit data using either the interactive survey form on the NPEFS data collection website at <http://surveys.nces.ed.gov/ccdnpefs> or ED Form 2447. This date is established to ensure that the best, most accurate data will be available to support timely distribution of Federal education funds.

Any resubmissions of FY 2022 or FY 2023 data by SEAs in response to requests for clarification or reconciliation or other inquiries by NCES or the Census Bureau must be completed through the interactive survey form on the NPEFS data collection website or ED Form 2447 by Tuesday, September 3, 2024. If an SEA submits revised data after the September 3, 2024, deadline that result in a lower SPPE figure, the SEA’s allocations may be adjusted downward, or the Department may direct the SEA to return funds.

Note: The following are important dates in the data collection process for FY 2023 data and revisions to reports for previous fiscal years:

Date	Activity
January 31, 2024	SEAs can begin to submit accurate and complete data for FY 2023 and revisions to previously submitted data for FY 2022.
March 29, 2024	Date by which SEAs are urged to submit accurate and complete data for FY 2023 and FY 2022.
August 15, 2024	Mandatory final submission date for FY 2022 and FY 2023 data to be used for program funding allocation purposes.
September 3, 2024	Mandatory final deadline for responses by SEAs to requests for clarification or reconciliation or other inquiries by NCES or the Census Bureau. Between August 15, 2024, and September 3, 2024, SEAs may also, on their own initiative, resubmit data to resolve issues not addressed in their final submission of NPEFS data by August 15, 2024. All data issues must be resolved.

Accessible Format: On request to the program contact person listed under **FOR FURTHER INFORMATION CONTACT**, individuals with disabilities can obtain this document in an accessible format. The Department will provide the requestor with an accessible format that may include Rich Text Format (RTF) or text format (txt), a thumb drive, an MP3

file, braille, large print, audiotape, or compact disc, or other accessible format.
Electronic Access to This Document: The official version of this document is the document published in the **Federal Register**. You may access the official edition of the **Federal Register** and the Code of Federal Regulations at www.govinfo.gov. At this site you can view this document, as well as all other documents of this Department

published in the **Federal Register**, in text or Portable Document Format (PDF). To use PDF you must have Adobe Acrobat Reader, which is available free at the site.
You may also access documents of the Department published in the **Federal Register** by using the article search feature at www.federalregister.gov. Specifically, through the advanced search feature at this site, you can limit

your search to documents published by the Department.

Authority: 20 U.S.C. 9543.

Mark Schneider,

Director of the Institute of Education Sciences.

BILLING CODE 4000-01-P

DEPARTMENT OF ENERGY

Energy Information Administration

Agency Information Collection Extension

AGENCY: U.S. Energy Information Administration (EIA), Department of Energy (DOE).

ACTION: Notice and request for comments.

SUMMARY: EIA invites public comment on the proposed three-year extension, with changes, to the Uranium Data Program (UDP) as required under the Paperwork Reduction Act of 1995. The UDP consists of three surveys: Form EIA-851A *Domestic Uranium Production Report (Annual)*, which collects annual data from the U.S. uranium industry on uranium milling and processing, uranium feed sources, uranium mining, employment, drilling, expenditures, and uranium reserves; Form EIA-851Q *Domestic Uranium Production Report (Quarterly)*, which collects monthly data that is reported on a quarterly basis, on uranium production on a quarterly basis; and Form EIA-858 *Uranium Marketing Annual Survey*, which collects annual data from the U.S. uranium market on uranium contracts and deliveries, inventories, enrichment services purchased, uranium in fuel assemblies, feed deliveries to enrichers, and unfilled market requirements for the current year and the following ten years.

DATES: EIA must receive all comments on this proposed information collection no later than January 2, 2024. If you anticipate any difficulties in submitting your comments by the deadline, contact the person listed in **ADDRESSES** section of this notice as soon as possible.

ADDRESSES: Send comments to Tim Shear by email to Uranium2024@eia.gov.

FOR FURTHER INFORMATION CONTACT: Tim Shear, U.S. Energy Information Administration, telephone (202) 586-0403, email Tim.Shear@eia.gov. The forms and instructions are available at <https://www.eia.gov/survey>.

SUPPLEMENTARY INFORMATION: This information collection request contains:

- (1) *OMB No.*: 1905-0160;
- (2) *Information Collection Request Title*: Uranium Data Program;
- (3) *Type of Request*: Three-year extension with change;
- (4) *Purpose*: Uranium Data Program (UDP) collects data on domestic uranium supply and demand activities, including production, exploration and development, trade, purchases and sales available to the U.S. The users of these data include Congress, Executive Branch agencies, the nuclear and uranium industry, electric power industry, and the public. Form EIA-851A data is published in EIA's *Domestic Uranium Production Report—Annual*, at <http://www.eia.gov/uranium/production/annual/>. Form EIA-851Q data is published in EIA's *Domestic Uranium Production Report—Quarterly* at <http://www.eia.gov/uranium/production/quarterly/>. Form EIA-858 data is published in EIA's *Uranium Marketing Annual Report* at <http://www.eia.gov/uranium/marketing/> and *Domestic Uranium Production Report—Annual* at <http://www.eia.gov/uranium/production/annual/>.

(4a) Proposed Changes to Information Collection

There is a 6 hour increase in the total estimated burden across all three surveys. Due to the continued downturn in the uranium landholding/exploration/production sectors, EIA-851A had four fewer respondents which reduced the burden hours by 20. The addition of one trader/broker on the EIA-858 survey will result in 26 additional burden hours. The larger burden estimate of the EIA-858 survey (26 burden hours) compared to the EIA-851A survey (5 burden hours) results in 26 additional EIA-858 hours against a reduction of 20 hours on the EIA-851A survey (4 fewer respondents by 5 hours per response) for a total net burden gain of six hours across all three surveys. The number of respondents for the Form EIA-851A has decreased from 30 to 26. The number of respondents for the Form EIA-851Q has remained at 11. The number of respondents for the Form EIA-858 has increased from 61 to 62. Total annual burden hours across all uranium surveys will increase slightly from 1,769 hours to 1,775 hours;

- (5) *Annual Estimated Number of Respondents*: 99;
- (6) *Annual Estimated Number of Total Responses*: 132;
- (7) *Annual Estimated Number of Burden Hours*: 1775;
- (8) *Annual Estimated Reporting and Recordkeeping Cost Burden*: EIA estimates that there are no capital and start-up costs associated with this data

collection. The information is maintained during the normal course of business. The cost of the burden hours is estimated to be \$155,064 (1,775 burden hours times \$87.36 per hour). Other than the cost of burden hours, EIA estimates that there are no additional costs for generating, maintaining, and providing this information.

Comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Statutory Authority: 15 U.S.C. 772(b), 42 U.S.C. 7101 *et seq.*

Signed in Washington, DC, on October 26, 2023.

Samson A. Adeshiyan,

Director, Office of Statistical Methods and Research, U.S. Energy Information Administration.

[FR Doc. 2023-24000 Filed 10-30-23; 8:45 am]

BILLING CODE 6450-01-P

DEPARTMENT OF ENERGY

Energy Information Administration

Agency Information Collection Proposed Extension

AGENCY: U.S. Energy Information Administration (EIA), Department of Energy (DOE).

ACTION: Notice and request for comments.

SUMMARY: EIA invites public comment on the reinstatement with changes to the Residential Energy Consumption Survey (RECS) Forms EIA 457-A, D, E, F, and G under OMB Control Number 1905-0092, as required under the Paperwork Reduction Act of 1995. RECS collects data on energy characteristics, consumption, and expenditures for the residential sector of the United States and is comprised of five forms including: Form EIA 457-A Household Survey, Form EIA 457-D Energy Supplier Survey: Household Propane Usage, Form EIA 457-E Energy Supplier Survey: Household Electricity Usage, Form EIA 457-F, Energy Supplier Survey: Household Natural Gas Usage,
