

Requirements for Submissions

All such submissions must conform to the GSP regulations set forth at 15 CFR part 2007, except as modified below. These regulations are reprinted in "A Guide to the U.S. Generalized System of Preferences (GSP)" (May 2006) ("GSP Guidebook"), available at http://www.ustr.gov/assets/Trade_Development/Preference_Programs/GSP/asset_upload_file890_8359.pdf.

Any person or party making a submission is strongly advised to review the GSP regulations. Submissions that do not provide the information required by sections 2007.0 and 2007.1 of the GSP regulations will not be accepted for review, except upon a detailed showing in the submission that the petitioner made a good faith effort to obtain the information required. Petitions with respect to waivers of the "competitive need limitations" must meet the information requirements for product addition requests in section 2007.1(c) of the GSP regulations. A model petition format is available from the GSP Subcommittee and is included in the GSP Guidebook. Petitioners are requested to use this model petition format so as to ensure that all information requirements are met. Furthermore, interested parties submitting petitions that request action with respect to specific products should list on the first page of the petition the following information after typing "2006 Annual GSP Review": (1) The requested action; (2) the HTSUS subheading in which the product is classified; and (3) if applicable, the beneficiary developing country. Petitions and requests must be submitted, in English, to the Chairman of the GSP Subcommittee, Trade Policy Staff Committee. Submissions in response to this notice will be available for public inspection by appointment with the staff of the USTR Public Reading Room, except for information granted "business confidential" status pursuant to 15 CFR 2003.6. If the submission contains business confidential information, a non-confidential version of the submission must also be submitted that indicates where confidential information was redacted by inserting asterisks where material was deleted. In addition, the confidential submission must be clearly marked "BUSINESS CONFIDENTIAL" in large, bold letters at the top and bottom of each and every page of the document. The public version that does not contain business confidential information must also be clearly marked in large, bold letters at the top and

bottom of each and every page (either "PUBLIC VERSION" or "NON-CONFIDENTIAL"). Documents that are submitted without any marking might not be accepted or will be considered public documents.

In order to facilitate prompt consideration of submissions, USTR requires electronic mail (e-mail) submissions in response to this notice. Hand-delivered submissions will not be accepted. E-mail submissions should be single copy transmissions in English with the total submission including attachments not to exceed 30 pages in 12-point type and 3 megabytes as a digital file attached to an e-mail transmission. Submissions should use the following e-mail subject line: "2006 Annual GSP Review-Petition." Documents must be submitted as either WordPerfect ("*.WPD"), MSWord ("*.DOC"), or text ("*.TXT") file. Documents cannot be submitted as electronic image files or contain imbedded images (for example, "*.JPG", "*.TIF", "*.PDF", "*.BMP", or "*.GIF") as these type files are generally excessively large. E-mail submissions containing such files will not be accepted. Supporting documentation submitted as spreadsheets are acceptable as Quattro Pro or Excel, pre-formatted for printing on 8½ x 11 inch paper. To the extent possible, any data attachments to the submission should be included in the same file as the submission itself, and not as separate files. E-mail submissions should not include separate cover letters or messages in the message area of the e-mail; information that might appear in any cover letter should be included directly in the attached file containing the submission itself, including identifying information on the sender, including sender's e-mail address. The electronic mail address for these submissions is FR0618@USTR.GOV.

For any document containing business confidential information submitted as an electronic attached file to an e-mail transmission, in addition to the proper marking at the top and bottom of each page as previously specified, the file name of the business confidential version should begin with the characters "BC-", and the file name of the public version should begin with the characters "P-". The "P-" or "BC-" should be followed by the name of the person or party (government, company, union, association, etc.) submitting the petition.

Documents not submitted in accordance with the GSP regulations as

modified by these instructions will not be considered in this review.

Marideth Sandler,

Executive Director GSP, Chairman, GSP Subcommittee of the Trade Policy Staff Committee.

SECURITIES AND EXCHANGE COMMISSION

[File No. 500-1]

In the Matter of Rudy 45; Order of Suspension of Trading

June 26, 2006.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Rudy 45 ("RDYF") because the company has failed to make required periodic corporate filings and/or has made inadequate or incomplete periodic corporate filings since December 2004, because of questions raised regarding the accuracy and adequacy of publicly disseminated information concerning, among other things, an acquisition announced by Rudy 45, and because of possible manipulative conduct
