

the Northeast Multispecies Fishery Management Plan (FMP). The Committee will discuss Acceptable Biological Catch (ABCs) and Annual Catch Limits (ACLs) for FY 2012–14. This may include consideration of a sub-ACL of Southern New England windowpane flounder for the scallop fishery as well as other changes to the ACLs. They will also continue development of accountability measures for ocean pout, Atlantic wolffish, Atlantic halibut, and both windowpane flounder stocks. Other measures in FW 47 may also be discussed, including the proposed elimination of the cap on yellowtail flounder that can be caught by the scallop fishery in access areas. The Committee may continue planning for a sector workshop to be held in October and scoping for an amendment on accumulation limits. The Committee may also develop recommendations for Council priorities for the next year. Other business may also be discussed.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically identified in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the Council's intent to take final action to address the emergency.

SUPPLEMENTARY INFORMATION:

Additions

On 6/11/2010 (75 FR 33270–33271); 6/17/2011 (76 FR 35415–35417); and 7/15/2011 (76 FR 41767–41768), the Committee for Purchase From People Who Are Blind or Severely Disabled published notices of proposed additions to the Procurement List.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the products and services and impact of the additions on the current or most recent contractors, the Committee has determined that the products and services listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46–48c and 41 CFR 51–2.4.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the products and services to the Government.

2. The action will result in authorizing small entities to furnish the products and services to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46–48c) in connection with the products and services proposed for addition to the Procurement List.

End of Certification
