SUPPLEMENTARY INFORMATION: The Coast Guard will enforce the special local regulation for the Annual Kennewick, Washington, Columbia Unlimited Hydroplane Races detailed in 33 CFR 100.1303 from 8:30 a.m. to 7:30 p.m. each day from July 24, 2015 through July 26, 2015.

Under the provisions of 33 CFR 100.1303, a vessel may not enter the regulated area, unless it receives permission from the Coast Guard Patrol Commander. Vessels granted permission to enter the zone by the Patrol Commander shall not exceed minimum wake speed. A succession of sharp, short signals by whistle, siren, or horn from vessels patrolling the area under the direction of the U.S. Coast Guard Patrol Commander shall serve as a signal to stop. Vessels signaled to stop shall stop and comply with orders of the patrol vessel personnel; failure to do so may result in expulsion from the area, citation, or both. The Coast Guard may be assisted by other federal, state, or local law enforcement agencies in enforcing this regulation.

This notice is issued under authority of 33 CFR 100.1303 and 5 U.S.C. 552(a). In addition to this notice in the **Federal Register**, the Coast Guard will provide the maritime community with notification of this enforcement period via the Local Notice to Mariners.

Dated: April 21, 2015.

Special Local Regulations and Safety Zones; Recurring Marine Events Held in the Coast Guard Sector Northern New England Captain of the Port Zone

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is updating the special local regulations and permanent safety zones in the Coast Guard Sector Northern New England Captain of the Port Zone for annual recurring marine events. When enforced, these special local regulations and safety zones will restrict vessel operations within portions of water areas during certain annually recurring events. The special local regulations and safety zones are intended to expedite public notification and ensure the protection of the maritime public and event participants from the hazards associated with certain maritime events.

DATES: This rule is effective May 12, 2015. This rule will be enforced during dates and times specified in a series of Notices of Enforcement to be published no less than 30 days prior to any event requiring a special local regulation or safety zone covered by this rule.

NPRM Notice of Proposed Rulemaking

A. Regulatory History and Information

On Tuesday, March 24, 2015, the Coast Guard published a notice of proposed rulemaking (NPRM) entitled "Special Local Regulations and Safety Zones; Recurring Events in Northern New England" in the **Federal Register** (80 FR 15532). We received no comments on the proposed rule. No

public meeting was requested and none was held.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after final publication in the **Federal Register**. Delaying this rule would be impracticable and contrary to the public interest because the first scheduled marine event covered by this rule is scheduled for May. The Coast Guard did not receive the updated information on listed events in time to publish more than thirty days before the first events. The rule must become effective as soon as practicable to provide for the safety of all users of the waterway during the scheduled events.

B. Basis and Purpose

The legal basis for the rule is 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; and Department of Homeland Security Delegation No. 0170.1, which collectively authorize the Coast Guard to establish safety zones and special local regulations.

Swim events, fireworks displays, and marine events are held on an annual recurring basis on the navigable waters within the Coast Guard Sector Northern New England COTP Zone. In the past, the Coast Guard has established special local regulations, regulated areas, and safety zones for these annual recurring events on a case-by-case basis to ensure the protection of the maritime public and event participants from the hazards associated with these events. In the past year, events were assessed for their likelihood to recur in subsequent years and were added to the tables accordingly. In addition, the event titled "5.1 Hawgs, Pies, & Fireworks" in Gardiner, ME. was changed to "5.1 Ride into Summer".

This rulemaking updates the existing regulation in order to meet the Coast Guard's intended purpose of ensuring safety during these events.

C. Discussion of Comments, Changes and the Final Rule

No comments were received and no changes have been made to the Final Rule.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on these statutes and executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of

Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders.

We expect the economic impact of this rule to be minimal. Although this regulation may have some impact on the public, the potential impact will be minimized. The Coast Guard is only modifying an existing regulation to account for new information.

2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received no comments from the Small Business Administration on this rule. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule will affect the following entities, some of which might be small entities: Owners or operators of vessels intending to transit, fish, or anchor in the areas where the listed annual recurring events are being held.

The rule will not have a significant economic impact on a substantial number of small entities for the following reasons: Vessels will only be restricted from safety zones and special local regulation areas for a short duration of time; vessels may transit in portions of the affected waterway except for those areas covered by the regulated areas; and notifications will be made to the local maritime community through the Local Notice to Mariner’s and Broadcast Notice to Mariner’s well in advance of the events. In addition, this action is only modifying an existing rule which, in and of itself, did not have a significant impact on a substantial number of small entities.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business,

organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the above section titled **FOR FURTHER INFORMATION CONTACT**.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This action is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves water activities including swimming events and fireworks displays. This rule is categorically excluded from further review under paragraphs (34)(g) and

(34)(h) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

[Docket No. USCG–2015–0361]

Drawbridge Operation Regulation; Charenton Canal, Baldwin, LA

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulations.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the Burlington Northern Santa Fe (BNSF) Railway Company swing span bridge across Charenton Canal, mile 0.4, at Baldwin, St. Mary Parish, Louisiana. The deviation is necessary to complete scheduled repairs for the continued safe operation of the bridge. This deviation will allow the bridge to remain in the closed-to-navigation position for six consecutive hours.

DATES: This deviation is effective from 7 a.m. through 1 p.m. on Thursday, May 21, 2015.

ADDRESSES: Documents mentioned in this preamble are part of docket [USCG–2015–0361]. To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number (USCG–2015–0361) in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m.,

Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email Geri Robinson, Bridge Administration Branch, Coast Guard; telephone 504–671–2128, email d8dpball@uscg.mil. If you have questions on viewing the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone 202–366–9826.

SUPPLEMENTARY INFORMATION: The BNSF Railway Company has requested a temporary deviation from the operating schedule of the swing span railroad bridge across the Charenton Canal, mile 0.4, at Baldwin, St. Mary Parish, Louisiana. The bridge provides 10 feet of vertical clearance in the closed-to-navigation position. Due to the type of equipment being used and safety concerns, vessels will not be allowed to pass under the bridge while in the closed-to-navigation position. However, the bridge will be able to open in the event of an emergency.

Navigation on the waterway consists of tugs with tows, fishing vessels, and recreational craft including sailboats and powerboats. An alternate route is available for mariners through the Berwick Locks. The alternate waterway route takes about 45 minutes to transit. Due to prior experience, as well as coordination with waterway users, and the alternate route through Berwick Locks, it has been determined that this closure will not have a significant effect on these vessels.

In accordance with 33 CFR 117.5, the bridge currently opens on signal for the passage of vessels. This deviation allows the swing span of the bridge to remain in the closed-to-navigation position from 7 a.m. through 1 p.m. on Thursday, May 21, 2015.

The closure is necessary to weld four joints and install insulated joints on the bridge. Notices will be published in the Eighth Coast Guard District Local Notice to Mariners and will be broadcast via the Coast Guard Broadcast Notice to Mariners System.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular

operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: May 7, 2015.

David M. Frank,

Bridge Administrator, Eighth Coast Guard District.

[Docket No. USCG–2015–0384]

Drawbridge Operation Regulation; Willamette River, Portland, OR.

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the upper deck of the Steel Bridge across the Willamette River, mile 12.1, at Portland, OR. The deviation is necessary to accommodate the route of the annual Starlight Parade event, which crosses the Steel Bridge. This deviation allows the upper deck of the Steel Bridge to remain in the closed-to-navigation position and need not open for marine traffic during the specified time.

DATES: This deviation is effective from 7 p.m. to 11:30 p.m. on May 30, 2015.
