Intent To Rescind the 2010 Administrative Review

Ispat submitted a letter to the Department on February 4, 2011, certifying that it had no shipments of subject merchandise to the United States during the POR. The petitioner did not comment on Ispat's claim of no shipments.

On February 7, 2011, we conducted an internal customs data query.² We also issued a "no shipments inquiry" message to U.S. Customs and Border Protection (CBP), which posted the message on February 16, 2011.³ The customs data query indicates that Ispat had no entries of subject merchandise to the United States during the POR. We did not receive any information from CBP contrary to Ispat's claim of no shipments of subject merchandise to the United States during the POR.

Based on our analysis of the shipment data, we preliminarily determine that Ispat did not ship subject merchandise to the United States during the POR. Therefore, in accordance with 19 CFR 351.213(d)(3), and consistent with our practice,⁴ we preliminarily determine to rescind the review for Ispat. Since Ispat

was the only producer/exporter for which a review was requested and initiated, we also preliminarily determine to rescind the administrative review of the CVD order covering the period January 1, 2010, through December 31, 2010.

Public Comment

The Department is setting aside a period for interested parties to raise issues regarding the preliminary determination to rescind the administrative review for Ispat. The Department encourages all interested parties to submit such comments within 20 calendar days of the publication of this notice. Comments should be addressed to Import Administration's APO/Dockets Unit, Room 1870, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230. The period for public comment is intended to provide the Department with ample opportunity to consider all issues prior to the issuance of the notice to rescind the administrative review.

We are issuing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4) of the Department's regulations.

Dated: March 15, 2011.

bred, non-releaseable adult shortnose sturgeon from the Virginia Living Museum for the maintenance and educational display of those specimens. Both displays would be used to increase public awareness of the shortnose sturgeon and its status by educating the public on shortnose sturgeon life history and the reasons for the species decline. The proposed projects to display endangered cultured shortnose sturgeon responds directly to a recommendation from the NMFS recovery plan outline for this species. The permits would not authorize any takes from the wild, nor would it authorize any release of captive sturgeon into the wild. The permits are requested for a duration of 5 years.
