Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: Grants for the Integration of Schools and Mental Health Systems will provide funds to increase student access to high-quality mental health care by developing innovative approaches that link school systems with the local mental health system.

Priority: In accordance with 34 CFR 75.105(b)(2)(iv), this priority is from section 5541 of the Elementary and Secondary Education Act of 1965, as amended (ESEA) (20 U.S.C. 7269).

Absolute Priority: For FY 2006 and any subsequent year in which we make awards based on the list of unfunded applications from this competition, this priority is an absolute priority. Under 34

CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

Increasing student access to quality mental health care by developing innovative approaches to link local school systems with the local mental health system. A program funded under this absolute priority must include all of the following activities:

(1) Enhancing, improving, or developing collaborative efforts between school-based service systems and mental health service systems to provide, enhance, or improve prevention, diagnosis, and treatment services to students.

(2) Enhancing the availability of crisis intervention services, appropriate referrals for students potentially in need of mental health services, and ongoing mental health services.

(3) Providing training for the school personnel and mental health professionals who will participate in the program.

(4) Providing technical assistance and consultation to school systems and mental health agencies and families participating in the program.

(5) Providing linguistically appropriate and culturally competent services.

(6) Evaluating the effectiveness of the program in increasing student access to quality mental health services, and making recommendations to the Secretary about sustainability of the program.

Additional Requirements: The following requirements are from the notice of final requirements for this program published elsewhere in this issue of the **Federal Register**.

Requirement 1—Coordination of Activities

Recipients of a grant under the Grants for the Integration of Schools and Mental Health Systems program are required to coordinate project activities with projects funded under the Department of Health and Human Services' Substance Abuse and Mental Health Services Administration's Mental Health Transformation State Infrastructure Grants (MHTSIG) program (CFDA 93.243), if a grantee's State receives a MHTSIG award. If a recipient of a grant under the Grants for the Integration of Schools and Mental Health Systems program has received or receives a grant under the Department of Education's Emergency Response and Crisis Management (ERCM) program (CFDA 84.184E), the recipient must coordinate mental health service activities under this grant with those planned under its ERCM grant. Projects

funded by this program must complement, rather than duplicate, existing or ongoing efforts.

Requirement 2—Safe Schools/Healthy Students Recipients Excluded From Receiving Awards

Former or current recipients under the Safe Schools/Healthy Students program (CFDA 84.184L) are not eligible to receive a grant under this program. Recipients of Safe Schools/Healthy Students awards are responsible for completing a scope of work under that program that is very similar to the activities required under the Grants for the Integration of Schools and Mental Health Systems program. By restricting the applicant pool to eliminate former or current grantees under the Safe Schools/Healthy Students program, we will be able to focus Federal funds on entities that have not yet received Federal support to develop and implement strong linkages with other entities in their communities for the provision of mental health services to students.

Applicants may compete for both the Grants for the Integration of Schools and Mental Health Systems and Safe Schools/Healthy Students programs in the same year; if applicants are deemed eligible for funding in both grant competitions, the applicant will receive the larger and more comprehensive of the awards.

Requirement 3—Preliminary Interagency Agreement (IAA)

Applicants for an award under the Grants for the Integration of Schools and Mental Health Systems program must develop and submit with their applications a preliminary interagency agreement (IAA). The IAA must contain the signatures of an authorized representative of at least (1) one or more State or local educational agencies or Indian tribes; (2) one or more juvenile justice authorities; and (3) one or more State or local public mental health agencies. This preliminary IAA would confirm the commitment of these partners to complete the work under the proposed project, if funded. If the applicant is funded, recipients will complete a final IAA as required by section 5541(e) of the Elementary and Secondary Education Act of 1965, as amended (ESEA). The final IAA must be completed and submitted to us, signed by all parties, no later than 12 months after the award date.

Applications that do not include the proposed preliminary IAA with all of the required signatures will be rejected and not be considered for funding.

Requirement 4—Inclusion of Parental Consent Considerations in Final IAA

The final IAA must include a description of policies and procedures that would ensure appropriate parental or caregiver consent for any planned services, pursuant to State or local laws or other requirements.

Requirement 5—Provision of Direct Services

Grant funds under this program must not be used to provide direct services to students.

Program Authority: 20 U.S.C. 7269. **Applicable Regulations:** (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, 97, 98, 99, and 299.

(b) The notice of final requirements for this program published elsewhere in this issue of the **Federal Register**.

Note: The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

a. Electronic Submission of Applications.

If you choose to submit your application to us electronically, you must use e-Application available through the Department's e-Grants system, accessible through the e-Grants portal page at: <http://e-grants.ed.gov>.

While completing your electronic application, you will be entering data online that will be saved into a database. You may not e-mail an electronic copy of a grant application to us.

Please note the following:

- Your participation in e-Application is voluntary.
- You must complete the electronic submission of your grant application by 4:30 p.m., Washington, DC time, on the application deadline date. The e-Application system will not accept an application for this competition after 4:30 p.m., Washington, DC time, on the application deadline date. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the application process.

• The regular hours of operation of the e-Grants Web site are 6 a.m. Monday until 7 p.m. Wednesday; and 6 a.m. Thursday until midnight Saturday, Washington, DC time. Please note that the system is unavailable on Sundays, and between 7 p.m. on Wednesdays and 6 a.m. on Thursdays, Washington, DC time, for maintenance. Any modifications to these hours are posted on the e-Grants Web site.

• You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you submit your application in paper format.

• You must submit all documents electronically, including the Application for Federal Education Assistance (ED 424), Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. If you choose to submit your application

electronically, you must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified above or submit a password protected file, we will not review that material.

- Your electronic application must comply with any page limit requirements described in this notice.

- Prior to submitting your electronic application, you may wish to print a copy of it for your records.

- After you electronically submit your application, you will receive an automatic acknowledgment that will include a PR/Award number (an identifying number unique to your application).

- Within three working days after submitting your electronic application, fax a signed copy of the ED 424 to the Application Control Center after following these steps:

- (1) Print ED 424 from e-Application.

Application Deadline Date Extension in Case of System Unavailability: If you are prevented from electronically submitting your application on the application deadline date because the e-Application system is unavailable, we will grant you an extension of one business day to enable you to transmit your application electronically, by mail, or by hand delivery. We will grant this extension if—

- (1) You are a registered user of e-Application and you have initiated an electronic application for this competition; and

- (2)(a) The e-Application system is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or

- (b) The e-Application system is unavailable for any period of time between 3:30 p.m. and 4:30 p.m., Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension or to confirm our acknowledgment of any system unavailability, you may contact either (1) the person listed elsewhere in this

notice under **FOR FURTHER INFORMATION CONTACT** (see VII. Agency Contact) or (2) the e-Grants help desk at 1-888-336-8930. If the system is down and therefore the application deadline is extended, an e-mail will be sent to all registered users who have initiated an e-Application.

Extensions referred to in this section apply only to the unavailability of the Department's e-Application system. If the e-Application system is available, and, for any reason, you are unable to submit your application electronically or you do not receive an automatic acknowledgment of your submission, you may submit your application in paper format by mail or hand delivery in accordance with the instructions in this notice.

If your application is postmarked after the application deadline date, we will not consider your application.

V. Application Review Information

1. Selection Criteria: The selection criteria for this program are from 34 CFR 75.210 and are listed in the application package.

2. Review and Selection Process: Additional factors we consider in selecting an application for an award are the equitable distribution of grants among the geographical regions of the United States and among urban, suburban, and rural populations.

VI. Award Administration Information

1. Award Notices: If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may also notify you informally.

If your application is not evaluated or not selected for funding, we notify you.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. You must also submit an interim progress report twelve months after the award date. This report should provide the most current performance and financial expenditure information, including baseline data.

4. *Performance Measures:* The Secretary has established the following key performance measures for assessing the effectiveness of the Grants for the Integration of Schools and Mental Health Systems program:

a. The percentage of schools served by the grant that have comprehensive, detailed linkage protocols in place; and

b. The percentage of school personnel served by the grant who are trained to make appropriate referrals to mental health services.

These two measures constitute the Department's measures of success for

this program. Consequently, applicants for a grant under this program are advised to give careful consideration to these two measures in conceptualizing the approach and evaluation of their proposed project. If funded, applicants will be asked to collect and report data in their performance and final reports about progress toward these measures. The Secretary will also use this information to respond to the evaluation requirements concerning this program established in section 5541(f) of the ESEA.
