FOR FURTHER INFORMATION CONTACT: Paul Stolz at (202) 482-4474 or Howard Smith at (202) 482-5193, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave, NW, Washington, DC 20230.

Time Limits

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department of Commerce

(the Department) to make a preliminary determination within 245 days after the last day of the anniversary month of an order or finding for which a review is requested and a final determination within 120 days after the date on which the preliminary determination is published. However, if it is not practicable to complete the preliminary results of review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days and for the final results to 180 days (or 300 days if the Department does not extend the time limit for the preliminary results) from the date of publication of the preliminary results.

Background

On January 26, 2000, the Department published a notice of initiation of administrative review of the antidumping duty order on certain cased pencils from the People's Republic of China, covering the period December 1, 1998 through November 30, 1999 (65 FR 4228). The preliminary results are currently due no later than September 1, 2000.

Extension of Time Limit for Preliminary Results of Review

We determine that it is not practicable to complete the preliminary results of this review within the original time limit. Therefore the Department is extending the time limit for completion of the preliminary results until no later than December 30, 2000. *See* Decision Memorandum from Thomas F. Futtner to Holly A. Kuga, dated concurrently with this notice, which is on file in the Central Records Unit, Room B-099 of the main Commerce building. We intend to issue the final results no later than 120 days after the publication of the preliminary results notice.

This extension is in accordance with section 751(a)(3)(A) of the Act.

Dated: August 24, 2000.

Holly A. Kuga,

Acting Deputy Assistant Secretary for Import Administration.

Furfuryl Alcohol From the People's Republic of China and Thailand; Final Results of Antidumping Duty Sunset Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final results of antidumping duty sunset reviews: Furfuryl Alcohol from the People's Republic of China and Thailand.

SUMMARY: On May 1, 2000, the Department of Commerce (the "Department") published the notice of initiation of sunset review of the antidumping duty orders on furfuryl from the People's Republic of China ("PRC") and Thailand (65 FR 25309). On the basis of a notice of intent to participate and adequate substantive response filed on behalf of a domestic interested party, and inadequate response from respondent interested parties, we determined to conduct expedited sunset reviews. Based on our analysis of the comments received, we find that revocation of the antidumping duty orders would likely lead to continuation or recurrence of dumping at the levels listed below in the section entitled "Final Results of Review."

EFFECTIVE DATE: September 5, 2000.
