Federal Emergency Management Agency

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: Notice and request for comments.

SUMMARY: The Federal Emergency Management Agency, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on a proposed continuing information collection. In accordance with the Paperwork Reduction Act of 1995, this notice seeks comments concerning the Application for Community Disaster Loans Program/Special Community Disaster Loans Program.

SUPPLEMENTARY INFORMATION: The Community Disaster Loan Program, (CDL) is authorized by Section 417 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, Public Law 93–288, as amended, provides policies and procedures for local governments and State and Federal officials concerning the Community Disaster Loan program; FEMA regulations 44 CFR, Part 206, Subpart K, implements the statutes. DAP–5, Community Disaster Loan Handbook, promulgates FEMA's policies and procedures to State and local officials. The Division Director may make a CDL to any local government which has suffered a substantial loss of tax or other revenues as a result of a major disaster or emergency and which demonstrates a need for Federal financial assistance in order to perform its governmental functions.

In response to the disaster caused by Hurricane Katrina, Congress passed the Community Disaster Loan Act of 2005, Pub. L. 109–88, which authorizes FEMA to transfer \$750 million from the funds appropriated in the Second Emergency

Supplemental Appropriations Act To Meet Immediate Needs Arising From the Consequences of Hurricane Katrina, 2005, Pub. L. 109–62, to provide up to \$1 billion in loan authority. For loans issued pursuant to the 2005 Act, the 2005 Act adds three elements to the traditional program under section 417 of the Stafford Disaster Relief and Emergency Assistance Act (Stafford Act), 42 U.S.C. 5184: (1) The 2005 Act removes the \$5 million limit on individual loans; (2) the 2005 Act specifies that the loans are “to assist local governments in providing essential services”; and (3) the 2005 Act makes inapplicable the loan cancellation

provision of section 417(c)(1) of the Stafford Act. To implement the Community Disaster Loan Act of 2005, FEMA published an interim rule on October 18, 2005 implementing the Act. These new regulations do not apply to the traditional Community Disaster Loan Program.
