

## I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

PCX is proposing to amend its Schedule of Fees and Charges for Exchange Services in order to adopt fees and charges that are applicable to the services provided by PCX under its new demutualized structure. The text of the proposed rule change is available at PCX and at the Commission.

## II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, PCX included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. PCX has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

#### 1. Purpose

The Exchange proposes to adopt fees and charges that are applicable to the services provided by the Exchange under its new demutualized structure. Under the demutualized structure, the Exchange will no longer have seats. The former seatholders of the Exchange became holders of option trading permits ("OTPs") and stockholders in PCX's new parent company. As such, the Exchange has removed all references to "seats," "members," and "member organizations" on its Schedule of Fees and Charges for Exchange Services and replaced them with "OTPs," "OTP Holders," "OTP Firms" and made other revisions to conform to the demutualized structure. The Exchange represents that it is not creating any additional fees under the proposed rule change.

#### 2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,<sup>4</sup> in general, and furthers the objectives of Section 6(b)(4) of the Act,<sup>5</sup> in particular, in that the proposed rule change provides for the equitable allocation of reasonable dues,

fees, and other charges among its members.

### B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received with respect to the proposed rule change.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act<sup>6</sup> and subparagraph (f)(2) of Rule 19b-4<sup>7</sup> thereunder, because the proposed rule change establishes or changes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of June 30, 2004, the Commission may summarily abrogate such proposed rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.<sup>8</sup>

## IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change, as amended, is consistent with the Act. Comments may be submitted by any of the following methods:

<sup>6</sup> 15 U.S.C. 78s(b)(3)(A)(ii).

<sup>8</sup> For purposes of calculating the 60-day period within which the Commission may summarily abrogate the proposed rule change under Section 19(b)(3)(C) of the Act, 15 U.S.C. 78s(b)(3)(C), the Commission considers that period to commence on June 30, 2004, the date PCX filed Amendment No. 1 to the proposed rule change.

450 Fifth Street, NW., Washington, DC 20549-0609.

All submissions should refer to File Number SR-PCX-2004-53. This file number should be included on the subject line if e-mail is used. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Section, 450 Fifth Street, NW., Washington, DC 20549.
