National Weather Service Support for Special Event

AGENCY: National Weather Service, National Oceanic and Atmospheric Administration, Department of Commerce.

ACTION: Notice; request for comments.

SUMMARY: The National Weather Service (NWS) proposes to update its policy regarding NWS support for special events such as athletic competitions and festivals. These events can put large numbers of spectators and participants in harm's way if adverse weather conditions occur. This policy update is intended to clarify the role of NWS in providing products and services as well as address the role of private sector weather providers in providing complementary services.

DATES: The agency must receive comments on or before June 30, 2008.

ADDRESSES: Comments must be submitted to the following address: nwssp.comments@noaa.gov or land mail address below. The proposed policy is available electronically at <http://weather.gov/sp/specialevents.htm>. Requests for hard copies should be sent to Special Events, Room 11430, 1325 East-West Highway, Silver Spring, MD 20910-3283.

Revision to the Remote Community Alert Systems Program

AGENCY: National Oceanic and Atmospheric Administration (NOAA), Department of Commerce.

ACTION: Notice.

SUMMARY: NOAA publishes this notice to reopen the application solicitation period and to amend the application requirements for the Remote Community Alert Systems Program, which was announced in the **Federal Register** on February 8, 2008. The notice informs applicants that NOAA reopens the competition and establishes a new due date for applications of May 23, 2008, clarifies the submission requirements concerning an abstract page and project description, and clarifies that eligible applicants include U.S. Commonwealths and Territories. It also removes a typographical error which referenced a required "item 5" which does not exist in the text. Finally, it advises applicants that they can amend or resubmit their applications, if they so choose, by the new application deadline.

FOR FURTHER INFORMATION CONTACT: Requests for additional information should be directed to Craig Hodan, NOAA/NWS, 1325 East-West Highway, Room 3348, Silver Spring, Maryland 20910. Phone: 301-713-9480 x 187, e-mail: craig.hodan@noaa.gov.

SUPPLEMENTARY INFORMATION: NOAA publishes this notice to make changes to the Remote Community Alert Systems Program, which was announced in the **Federal Register** on February 8, 2008 (73 FR 7528). This notice reopens the application solicitation period for the Remote Community Alert System Program published in the **Federal Register** notice cited above. The new deadline for applications is 5 p.m. on May 23, 2008. Applicants who submitted proposals may amend or resubmit their applications by the newly established date. All applications received after April 11, 2008 and by the new deadline will be considered timely and will be evaluated by the program.

Also, NOAA amends the "Eligibility" paragraph to clarify that eligible applicants include those from U.S. Commonwealths and Territories. The current language reads: "Eligible applicants are States and Tribal Communities." NOAA amends this
