

IV. Invitation for Comments

The Commission invites comment regarding its analysis of the “subsequent event” identified and discussed above. The Commission also invites comments on any other changes in law behind the implicit subsidies and legal constraints quantified by the FTC that have changed since March 25, 2022, which was the last opportunity to provide comment in Docket Nos. RM2017–1 and RM2022–2, and whether any of the identified changes affect the continuing validity of the FTC’s estimate of the net economic effect of those laws. Comments related to the reconsideration of the FTC’s original conclusions as to what implicit subsidies and legal constraints should be included in or excluded from the estimate of net economic effect, whether those subsidies or constraints were quantifiable, or whether alternative estimates of the quantified implicit subsidies and legal constraints are possible are all beyond the scope of this review.¹⁰

Comments are due September 21, 2022. Additional information concerning this filing may be accessed via the Commission’s website at <http://www.prc.gov>.

Pursuant to 39 U.S.C. 505, Kenneth R. Moeller continues to be designated as an officer of the Commission (Public Representative) to represent the interests of the general public in this proceeding.
