

briefing responsive to the Commission's request on August 30, 2013. Each proposed a limited exclusion order directed to the accused products of respondents Yiwu, Guangzhou Pengcheng, and T-Tech. Complainants stated that they do not seek entry of cease and desist orders against any of the defaulting respondents. The IA recommended allowing entry by all of the defaulting respondents under a bond of 100 percent of the entered value during the period of Presidential review. Complainants requested a bond of 100 percent against respondent T-Tech, but argued that respondents Yiwu and Guangzhou Pengcheng not be allowed to import any of their infringing products during the period of Presidential review because they were found in default under section 337(g)(1). In the alternative, Complainants requested that the Commission set a bond of 100 percent of the entered value against respondents Yiwu and Guangzhou Pengcheng. On September 6, 2013, Complainants and the IA submitted reply submissions.

The Commission finds that the statutory requirements of section 337(g) (19 U.S.C. 1337(g)) is met with respect to respondents Yiwu and Guangzhou Pengcheng. Accordingly, pursuant to section 337(g)(1) (19 U.S.C. 1337(g)(1)) and Commission rule 210.16(c) (19 CFR 210.16(c)), the Commission presumes the facts alleged in the complaint to be true and finds that Yiwu and Guangzhou Pengcheng are in violation of section 337. The Commission further finds that T-Tech is in violation of section 337 pursuant to section 210.17 of the Commission's Rules of Practice and Procedure (19 CFR 210.17), which states that a failure to participate in an investigation may provide a basis for a finding of violation of section 337 under section 337(d)(1) (19 U.S.C. 1337(d)(1)).

The Commission has determined that the appropriate form of relief in this investigation is a limited exclusion order prohibiting the unlicensed entry of certain ink application devices and components thereof that are manufactured abroad by or on behalf of, or imported by or on behalf of, respondents Yiwu and T-Tech by reason of infringement of one or more of claims 1–3, 7, 8, 19, and 20 of the '530 patent. The Commission has also determined to issue a limited exclusion order prohibiting the unlicensed entry of certain ink application devices and components thereof that are manufactured abroad by or on behalf of, or imported by or on behalf of, respondent Guangzhou Pengcheng by reason of infringement of one or more of 1–3, 7–12 and 16–20 of the '530 patent

and claims 1–4, 10, 12–14, 21–23, and 26–28 of the '553 patent. The Commission has further determined that the public interest factors enumerated in section 337(g)(1) (19 U.S.C. 1337(g)(1)) and section 337(d)(1) (19 U.S.C. 1337(d)(1)) do not preclude issuance of the limited exclusion order. Finally, the Commission has determined that the bond for importation during the period of Presidential review shall be in the amount of 100 percent of the entered value of the imported subject articles of all defaulting respondents. The Commission's order was delivered to the President and the United States Trade Representative on the day of its issuance.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

Dated: October 23, 2013.

By order of the Commission.

Lisa R. Barton,

Acting Secretary to the Commission.
