DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

December 10, 2020.

The Department of Agriculture has submitted the following information collection requirement(s) to Office of Management and Budget (OMB) for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments are requested regarding: Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by January 15, 2021 will be considered. Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to

the collection of information unless it displays a currently valid OMB control number.

Rural Utilities Service

Title: 7 CFR 1776, Household Water Well System Grant Program.

OMB Control Number: 0572-0139.

Summary of Collection: The Rural Utilities Service (RUS) is authorized by Section 306E of the Consolidated Farm and Rural Development Act (7 U.S.C. 1926e) to administer and make grants to qualified private non-profit organizations which will use the funds to establish lending programs for household water wells.

Need and Use of the Information: The purpose of the HWWS Grant Program is to provide funds to private non-profit organizations to assist them in establishing loan programs from which individuals may borrow money for household water well systems. Applicants must show that the project will provide technical and financial assistance to eligible individuals to remedy household well problems. Based on the previous three-year history, Fiscal Years 2014 through 2016, RUS expects to receive and fund on average seven applications annually. Generally, unless there is an ineligible applicant, all applications are funded, but at a reduced dollar amount. Applicants will provide information to be collected as part of the application process through certain documentation, certifications, and completed forms. Failure to collect proper information could result in improper determinations of eligibility, improper use of funds, or hindrances in making grants authorized by the CONACT. The applicant submits 2 an application package, consisting of an application form, narrative proposal (work plan), various other forms, certifications, and supplemental information. The RUS and State Offices staff use the information collected to determine applicant eligibility, project feasibility, and the applicant's ability to meet the grant and regulatory requirements.

Description of Respondents: Not-for-profit institutions.

Number of Respondents: 7.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 770.

Forest Service

Tongass National Forest; Alaska; Mendenhall Glacier Visitor Facility Improvement Project

AGENCY: Forest Service, USDA.

ACTION: Notice of intent to prepare an Environmental Impact Statement.

SUMMARY: The U.S. Department of Agriculture, Forest Service will prepare an Environmental Impact Statement (EIS) to analyze a variety of actions to improve visitor experience, increase capacity to meet current and projected demand, and to protect the existing ecosystem of the Mendenhall Glacier Recreation Area (MGRA). The purpose of the project is to provide a range of sustainable recreation experiences that meet Forest Plan goals and objectives for Recreation and Tourism, including opportunities consistent with public demand with an emphasis on locally popular recreation places and those important to the tourism industry. The need to improve the MGRA was identified during the Mendenhall Glacier Master Plan process.

DATES: Comments concerning the scope of the analysis must be received by January 15, 2021. The draft EIS is expected July 2021 and the final EIS is expected January 2022.

ADDRESSES: Electronic comments may be submitted at <https://cara.ecosystem-management.org/Public/CommentInput?project=53780> (preferred) or sent via email to comments-alaska-tongass-juneau@usda.gov. Written comments can be sent to Juneau Ranger District, MGRA Project, 8510 Mendenhall Loop Rd., Juneau, Alaska 99801.
