Review Criteria

Technically eligible applications will be competitively reviewed according to the criteria stated below. These criteria are not rank ordered and all carry equal weight in the proposal evaluation: Technically eligible applications will be competitively reviewed according to the criteria stated below. Proposals should adequately address each area of review. These criteria are not rank ordered.

1. *Program Planning and Ability to Achieve Objectives:* Program objectives should be stated clearly and precisely and should reflect the applicant's expertise in the subject area and the region. Objectives should respond to the priority topics in this announcement and should relate to the current conditions in the included countries. Objectives should be reasonable and attainable. A detailed work plan should explain step-by-step how objectives will be achieved and should include a timetable for completion of major tasks. The substance of workshops, internships, seminars, presentations and/or consulting should be described in detail. Sample training schedules should be outlined. Responsibilities of in-country partners should be clearly described.

2. *Institutional Capacity:* The proposal should include (1) the U.S. institution's mission and date of establishment (2) detailed information about the in-country partner institution's capacity and the history of the U.S. and in-country partnership (3) an outline of prior awards—U.S. government and private support received for the target theme/region (4) descriptions of experienced staff members who will implement the program. Proposed personnel and institutional resources should be adequate and appropriate to achieve the program's goals. The narrative should demonstrate proven ability to handle logistics. The proposal should reflect the institution's expertise in the subject

area and knowledge of the conditions in the target country/region(s).

3. *Cost Effectiveness and Cost Sharing:* Overhead and administrative costs for the proposal, including salaries, honoraria and subcontracts for services, should be kept to a minimum. Priority will be given to proposals whose administrative costs are less than twenty-five (25) per cent of the total funds requested from ECA. Applicants are encouraged to cost share a portion of overhead and administrative expenses. Cost-sharing, including contributions from the applicant, the in-country partner, and other sources should be included in the budget.

4. *Program Evaluation:* Proposals must include a plan and methodology to evaluate the program's successes, both as the activities unfold and at the program's conclusion. ECA recommends that the proposal include a draft survey questionnaire or other technique (such as a series of questions for a focus group). The evaluation plan should show a clear link between program objectives and expected outcomes in the short- and medium-term, and provide a well-thought-out description of performance indicators and measurement tools.

5. *Multiplier Effect/Impact:* Proposals should show how the program will strengthen long-term mutual understanding and institutionalization of program goals. Applicants should describe how responsibility and ownership of the program will be transferred to the in-country participants to ensure continued activity and impact. Programs that include convincing plans for sustainability will be given top priority.

6. *Follow-on Activities:* Proposals should provide a plan for continued follow-on activity (beyond ECA grant period) ensuring that the ECA-supported programs are not isolated events. Follow-on activities should be clearly outlined.

7. *Support of Diversity:* Proposals should demonstrate substantive support of ECA's policy on diversity. Program content (orientation, evaluation, program sessions, resource materials, follow-on activities) and program administration (selection process, orientation, evaluation) should address diversity in a comprehensive and innovative manner. Applicants should refer to ECA's Diversity, Freedom and Democracy Guidelines on page four of the Proposal Submission Instructions (PSI).
