*Respondents:* Individuals or households, business or other for-profit, not-for-profit institutions, and state, local or tribal governments.

*Number of Respondents:* 57,410.

*Estimated Time Per Response:* .083 hours.

*Frequency of Response:* On occasion reporting requirement and recordkeeping requirement.

*Total Annual Burden:* 4,765 hours.

*Total Annual Cost:* N/A.

*Needs and Uses:* This rule section requires antenna structure owners to: (1) Register the antenna structure with the Commission; (2) maintain the painting and lighting of the structure; (3) notify the Commission of changes in height, coordinates, ownership, painting, or lighting of the structure; and (4) notify the Commission upon dismantling of the structure. Section 90.433 of the Commission's rules, sets forth the recordkeeping requirement which is to be maintained by station licensees. These records will reflect whether or not maintenance of the licensee's equipment has been performed, and in instances of tower light checks and failures, if any, will indicate to the Commission that corrective action has been taken. The maintenance records may be used by the licensee or Commission field personnel to note any recurring equipment problems or

conditions that may lead to degraded equipment performance and/or interference generation. Tower lighting records required are to ensure that the licensee is aware of the tower light condition and proper operation, in order to prevent and/or to correct any hazards to air navigation.
