Notice of Extension of Final Results of the 2004-2005 Antidumping Duty Administrative Review of Certain Cut-to-Length Carbon Steel Plate From Romania

AGENCY: Import Administration, International Trade Administration, Commerce.

DATES: *Effective Date:* January 9, 2007.

FOR FURTHER INFORMATION CONTACT: Dena Crossland or John Drury, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-3362 or (202) 482-0195, respectively.

SUPPLEMENTARY INFORMATION:

Background

On September 11, 2006, the Department of Commerce ("the Department") published the preliminary results of this administrative review of certain cut-to-length carbon steel plate ("cut-to-length plate") from Romania. See *Certain Cut-to-Length Carbon Steel Plate from Romania: Preliminary Results of the Antidumping Duty Administrative Review and Partial Rescission*, 71 FR 53377 (September 11, 2006) ("Preliminary Results"). In the *Preliminary Results* we stated that we would make our final determination for the antidumping duty review no later than 120 days after the date of publication of the preliminary results (*i.e.*, January 9, 2007).

Extension of Time Limit for Final Results

The Department is extending the time limit for the final results of the administrative review of the

antidumping duty order on cut-to-length plate from Romania. This review covers the period August 1, 2004, through July 31, 2005.

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), states that if it is not practicable to complete the review within the time specified, the administering authority may extend the 120-day period, following the date of publication of the preliminary results, to issue its final results by an additional 60 days. Due to the complexity of issues raised in this review segment, including the selection of date of sale for respondent's U.S. sales and the calculation of inland freight to port expenses, the completion of the final results within the 120-day period is not practicable.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for issuing the final results of review by an additional 30 days until no later than February 8, 2007.

Dated: December 28, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary, for Import Administration.

Freshwater Crawfish Tail Meat From the People's Republic of China: Extension of Time Limit for Final Results of Antidumping Duty Administrative and New Shipper Reviews

AGENCY: Import Administration, International Trade Administration, Commerce.

DATES: *Effective Date:* January 9, 2007.

FOR FURTHER INFORMATION CONTACT: Erin C. Begnal or Scot Fullerton, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-1442 or (202) 482-1386, respectively.

Background

On October 10, 2006, the Department of Commerce ("Department") published the preliminary results of the administrative and new shipper reviews of the antidumping duty order on freshwater crawfish tail meat from the People's Republic of China for the period September 1, 2004, through August 31, 2005. See *Freshwater Crawfish Tail Meat From the People's Republic of China: Preliminary Results and Partial Rescission of the 2004/2005 Administrative and New Shipper Reviews*, 71 FR 59432 (October 10, 2006) ("Preliminary Results"). The final results of these reviews are currently due by February 7, 2007.

Extension of Time Limit for Final Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), and section 351.213(h)(1) of the Department's regulations, the Department shall issue final results in an administrative review of an antidumping duty order within 120 days after the date on which the notice of preliminary results is published in the **Federal Register**. However, if the Department determines that it is not practicable to complete the review within the specified time period, section 751(a)(3)(A) of the Act allows the Department to extend this time period to 180 days.

The Department has determined that completion of the final results of the aligned administrative and new shipper reviews within the 120-day period is impracticable. The Department requires additional time to address the concerns of the interested parties as raised in their November 9, 2006, case briefs, and November 14, 2006, rebuttal briefs. Therefore, the Department is fully extending the time limit for completion of these final results to April 8, 2007, in accordance with section 751(a)(3)(A) of the Act. However, because April 8, 2007, falls on a Sunday, the final results will be due no later than, April 9, 2007, the next business day.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.
