SUPPLEMENTARY INFORMATION:**I. Abstract**

The Initial Report on a Foreign Person's Direct or Indirect Acquisition, Establishment, or Purchase of the Operating Assets, of a U.S. Business Enterprise, Including Real Estate (Form BE-13) and the Report by a U.S. Person Who Assists or Intervenes in the Acquisition of a U.S. Business Enterprise by, or Who Enters Into a Joint Venture with, a Foreign Person (Form BE-14), obtain initial data on new foreign direct investment in the United States. The surveys collect identification information on the U.S. business being established or acquired and on the new foreign owner, information on the cost of the investment and source of funding, and limited financial and operating data

for the newly established or acquired entity. The data are needed to measure the amount of new foreign direct investment in the United States, assess its impact on the U.S. economy, and, based upon this assessment, make informed policy decisions regarding foreign direct investment in the United States. The information from the survey is also used to build sample frames for other BEA surveys of foreign direct investment in the United States, including the quarterly balance of payments survey (form BE-605).

The data from the survey are primarily intended as general purpose statistics. They should be readily available to answer any number of research and policy questions related to new foreign direct investment in the United States.

The forms remain the same as in the past. No changes in the data collected or in exemption levels are proposed.

II. Method of Collection

Form BE-13 must be filed by every U.S. business with over \$3 million of assets or cost of investment, or 200 or more acres of U.S. land, that is acquired to the extent of 10 percent or more, or is established, by a foreign investor. It is a one-time report that must be filed within 45 days of the acquisition or establishment. A BE-13 Supplement C—Exemption Claim—must be filed for transactions that do not meet either of the reporting thresholds. Form BE-14 is filed by a person who assists in an investment transaction, such as a real estate broker or attorney, or who enters into a U.S. joint venture with a foreign person. Its purpose is to provide BEA with the name and address of the newly established or acquired U.S. company, so that a BE-13 form can be mailed to it for completion. A BE-14 is not filed, however, if a U.S. person files a BE-13 relating to the establishment or acquisition of the U.S. business enterprise by a foreign person.

SUPPLEMENTARY INFORMATION:

I. Abstract

The U.S. Department of Commerce invites the general public and other Federal agencies to comment on the proposed extension of the use of the advocacy questionnaire by the Trade Promotion Coordination Committee's (TPCC) Advocacy Network. The questionnaire is used to evaluate requests for United States Government (USG) advocacy in connection with overseas commercial bids, offers, and proposals. The International Trade Administration's Advocacy Center marshals federal resources to assist U.S. commercial interests competing for foreign government commercial projects, procurements, investments, and business ventures worldwide. The mission of the Advocacy Center is to coordinate USG commercial advocacy in order to promote U.S. exports, trade which both creates and sustains U.S. employment. The Advocacy Center works with and coordinates activities within TPCC, which is chaired by the Secretary of Commerce and includes 19 federal agencies involved in export promotion. The purpose of the advocacy questionnaire is to collect the information necessary to evaluate a commercial interest's (e.g., a company's) eligibility for USG advocacy assistance. There are clear, well-established USG advocacy guidelines that describe the various situations in which the USG can provide advocacy support for a specific commercial interest. The questionnaire was developed to collect only the information necessary to determine if a commercial interest meets the eligibility requirements set forth in the advocacy guidelines. The Advocacy Center, appropriate ITA officials, U.S. Embassy/Consulate officials worldwide, and other federal government agencies (the Advocacy Network) that provide advocacy support, will require firms seeking USG advocacy support to complete the questionnaire. Without the information, the USG would be unable to determine the eligibility of commercial interests seeking USG advocacy support.

II. Method of Collection

When U.S. commercial interests request USG advocacy assistance, they are either sent Form ITA-4133P or referred to the Advocacy Center's web site from which Form ITA-4133P may be downloaded completed, signed, and filed.

Affected Public: Commercial Interests seeking USG advocacy.

Estimated Total Annual Burden Hours: 205.

Estimated Total Annual Costs: \$15,300.00 [\$9,175.00 for respondents and \$6,125.00 for federal government.].

IV. Request for Comments

Comments are invited on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and costs) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or forms of information technology.
