Public Scoping Process

To ensure that all issues related to DOE's proposed action are addressed, DOE seeks public input to define the scope of the EIS. The public scoping period will begin with publication of the NOI and end on March 20, 2009. Interested government agencies, private-sector organizations, and the general public are encouraged to submit comments concerning the content of the EIS, issues and impacts to be addressed in the EIS, and alternatives that should be considered. Scoping comments should clearly describe specific issues

or topics that the EIS should address to assist DOE in identifying significant issues. Comments must be postmarked, e-mailed, or faxed by March 20, 2009 to ensure consideration. (See **ADDRESSES**). Late comments will be considered to the extent practicable. DOE invites those agencies with jurisdiction by law or special expertise to be cooperating agencies.

A public scoping meeting will be held on March 5, 2009, from 5 p.m. to 9 p.m. at the Beaumont Civic Center Complex, 701 Main St, Beaumont, Texas. Members of the public and representatives of groups and Federal, state, local, and tribal agencies are invited to attend. An informal session at this location will begin at 5 p.m., followed by the opportunity to present oral comments at 7 p.m. Displays and other forms of information about the proposed agency action, the EIS process, and the TXE proposed Facility will be available, with DOE personnel available for discussions with attendees. DOE requests that anyone who wishes to present oral comments at the meeting contact Ms. Sharon R. Thomas by phone, fax, or e-mail (see **ADDRESSES**). Individuals who do not make advance arrangements to speak may register at the meeting. Speakers who need more than five minutes should indicate the length of time desired in their request. DOE may need to limit speakers to five minutes initially, but will provide additional opportunities as time permits. Written comments regarding the scoping process can also be submitted to DOE officials at the scoping meeting.
