SUPPLEMENTARY INFORMATION:

Background: These meetings are being held pursuant to Sec. 308 of the Workforce Innovation and Opportunity Act of 2014 (WIOA) (Pub. L. 113-128), which amends Sec. 15 of the Wagner-Peyser Act of 1933 (29 U.S.C. 491-2). The WIAC is an important component of the WIOA. The WIAC is a federal advisory committee of workforce and labor market information experts representing a broad range of national, State, and local data and information users and producers. The WIAC was established in accordance with provisions of the Federal Advisory Committee Act (FACA), as amended (5 U.S.C. App.) and will act in accordance with the applicable provisions of FACA and its implementing regulation at 41 CFR 102-3. The purpose of the WIAC is to provide recommendations to the Secretary of Labor (Secretary), working jointly through the Assistant Secretary for Employment and Training and the Commissioner of Labor Statistics, to address: (1) The evaluation and improvement of the nationwide workforce and labor market information (WLMI) system and statewide systems that comprise the nationwide system; and (2) how the Department and the States will cooperate in the management of those systems. These systems include programs to produce employment-related statistics and State and local workforce and labor market information.

The Department of Labor anticipates the WIAC will accomplish its objectives by: (1) Studying workforce and labor market information issues; (2) seeking and sharing information on innovative approaches, new technologies, and data to inform employment, skills training, and workforce and economic development decision making and policy; and (3) advising the Secretary on how the workforce and labor market information system can best support workforce development, planning, and program development. Additional information is available at www.dol.gov/agencies/eta/wioa/wiac/meetings.

Purpose: The WIAC is currently in the process of identifying and reviewing issues and aspects of the WLMI system and statewide systems that comprise the nationwide system and how the Department and the States will cooperate in the management of those

systems. As part of this process, the Advisory Council meets to gather information and to engage in deliberative and planning activities to facilitate the development and provision of its recommendations to the Secretary in a timely manner.

Agenda: The agenda topics for the January 12, 2022 meeting are: (1) Review and approve minutes from the previous meeting, (2) review and discuss the sub-committee work on identifying and collecting information that facilitates effective matching between employers and job seekers, (3) develop a set of recommendations regarding the topic specified above, (4) comment period for the general public, and (5) other business as needed, which may include a continued discussion on the "Build Back Better" bill. The agenda topics for the February 8, 2022 meeting are: (1) Review and approve minutes from the previous meeting, (2) consider and discuss the draft recommendations from the three sub-committees, (3) develop a final set of recommendations regarding the topics studied by the three sub-committees, (4) comment period for the general public, and (5) other business as needed. A detailed agenda will be available at www.dol.gov/agencies/eta/wioa/wiac/meetings shortly before the meetings commence.
