For a full description of the events that occurred since the *Preliminary Results*, see the Issues and Decision Memorandum.<sup>3</sup>

Methodology

Commerce conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we find that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.<sup>5</sup> For a full description of the methodology underlying all of Commerce’s conclusions, see the Issues and Decision Memorandum.

Changes Since the Preliminary Results

Based on comments received from interested parties, we made certain changes to the subsidy rate calculations for Assan Aluminium Sanayi ve Ticaret A.S. (Assan) and Panda Aluminium A.S. (Panda) from the *Preliminary Results*.<sup>6</sup>

Final Results of Review

We determine that, for the period January 1, 2022, through December 31, 2022, the following total net countervailable subsidy rates exist:

Producer/exporter	Subsidy rate (percent ad valorem)
Assan Aluminium Sanayi ve Ticaret A.S. <sup>7</sup> .....	1.10
Panda Aluminium A.S. <sup>8</sup> .....	1.46

Disclosure

Commerce intends to disclose the calculations performed for these preliminary results to interested parties within five days after public announcement, or if there is no public announcement, within five days of the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

<sup>5</sup> See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.  
<sup>6</sup> For a full description of changes, see Issues and Decision Memorandum.  
<sup>7</sup> As discussed in the Issues and Decision Memorandum, Commerce has found the following companies to be cross-owned with Assan: Ispak Esnek Ambalaj Sanayi A.S.; and Kibar Holding A.S. We note that Assan has an affiliated trading company through which it exported certain subject merchandise, Kibar Dis Ticaret A.S. (Kibar Dis). Therefore, because Kibar Dis’ subsidies are included as part of Assan’s total subsidy rate, we

### Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(2), Commerce has determined, and CBP shall assess, countervailing duties on all appropriate entries of subject merchandise in accordance with the final results of this review, for the above-listed companies at the applicable *ad valorem* assessment rates listed. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

### Cash Deposit Rates

In accordance with section 751(a)(1) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for the companies listed above for shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate (*i.e.*, 2.60 percent) applicable to the company, as appropriate. These cash deposits, effective upon the publication of the final results of this review, shall remain in effect until further notice.

### Administrative Protective Order (APO)

This notice also serves as a final reminder to parties subject to an APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is

have not assigned a subsidy rate to Kibar Dis. Entries of subject merchandise exported by Kibar Dis will receive the rate of the producer listed on the U.S. Customs and Border Protection (CBP) entry form.

<sup>8</sup> We note that Panda has an affiliated trading company through which it exported certain subject merchandise, Seherli Danışmanlık A.Ş. (Seherli). Seherli was not selected as a mandatory respondent but was examined in the context of Panda. Therefore, because Seherli's subsidies are included as part of Panda's total subsidy rate, we have not assigned a subsidy rate to Seherli. Entries of subject merchandise exported by Seherli will receive the rate of the producer listed on the CBP entry form.

#### Methylene Diphenyl Diisocyanate From the People's Republic of China: Postponement of Preliminary Determination in the Less-Than-Fair-Value Investigation

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**DATES:** Applicable July 14, 2025.

### SUPPLEMENTARY INFORMATION:

#### Background

On March 4, 2025, the U.S. Department of Commerce (Commerce) initiated a less-than-fair-value (LTFV) investigation of imports of methylene diphenyl diisocyanate (MDI) from the People's Republic of China (China).<sup>1</sup> Currently, the preliminary determination is due no later than July 22, 2025.

#### Postponement of Preliminary Determination

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in an LTFV investigation within 140 days after the date on which Commerce initiated the investigation. However, section 733(c)(1)(A)(b)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 190 days after the date on which Commerce initiated the investigation if: (A) the petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On June 24, 2025, the petitioner<sup>2</sup> submitted a timely request that Commerce postpone the preliminary determination in this LTFV investigation.<sup>3</sup> The petitioner stated that it requests postponement “so that Commerce can evaluate fully the initial questionnaire responses submitted by the mandatory respondents and solicit supplemental information as necessary.”<sup>4</sup>

For the reasons stated above and because there are no compelling reasons to deny the request, in accordance with section 733(c)(1)(A) of the Act, Commerce is postponing the deadline for the preliminary determination by 50
