Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The IC Clearance Official, Regulatory Information Management Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before October 14, 2008.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early

opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The IC Clearance Official, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: August 8, 2008.

Abstract: Title I, Part A of the Elementary and Secondary Education Act (ESEA) gives State educational agencies the flexibility to use an alternative method to distribute Title I, Part A Grants to Local Educational Agencies funds to small LEAs.

Sections 1124(a)(2)(B), 1124A(a)(4)(A), and 1125(d) of Title I, Part A of the Elementary and Secondary Education Act, as amended by the No Child Left Behind Act, authorize State educational agencies (SEAs) to use alternative poverty data to redistribute Title I Basic, Concentration, and Targeted Grant allocations determined by the Department of Education (ED) to "small" local educational agencies (LEAs) with fewer than 20,000 total residents. Section 200.74 of the Title I regulations further clarifies this provision by extending this flexibility to Educational Finance Incentive Grants. The statute requires ED to obtain approval of any alternative poverty measure they choose to use for this purpose.
