[Public Notice 7746]

Assistance to the Autonomous Government of Southern Sudan and the United States Contribution to the Global Fund To Fight AIDS, Tuberculosis and Malaria (Global Fund) for Fiscal Year 2010

AGENCY: Department of State.

ACTION: Notice of a Waiver Determination under Section 202(d)(4)(A)(ii) of the United States Leadership Against HIV/AIDS, Tuberculosis, and Malaria Act of 2003, as amended, for Fiscal Year 2010.

SUMMARY: This is a notice of a waiver determination under Section 202(d)(4)(A)(ii) of the United States Leadership Against HIV/AIDS, Tuberculosis, and Malaria Act of 2003, as amended by the Tom Lantos and Henry J. Hyde United States Global Leadership Against HIV/AIDS, Tuberculosis, and Malaria Reauthorization Act of 2008 (the "Leadership Act"). The Leadership Act requires that the U.S. Global AIDS Coordinator withhold from the U.S. contribution to the Global Fund an amount equal to expenditures by the Global Fund in the previous fiscal year to governments of countries that have been determined to have repeatedly provided support for acts of international terrorism in accordance with section 6(j)(1) of the Export Administration Act of 1979 (50 U.S.C. App. 2405 (j)(1)) (the "6(j) list").

The government of the Republic of Sudan is designated on the "6(j) list." Thus, Global Fund expenditures to the Government of the Republic of Sudan trigger a withholding requirement from the U.S. contribution to the Global Fund, subject to the waiver authority provided for Global Fund expenditures in Southern Sudan. During FY 2009, \$1,162,902 was provided to government

entities in Southern Sudan under HIV/AIDS grants, thus triggering a potential withholding requirement in this amount from the FY 2010 U.S. contribution to the Global Fund. These funds were used to support HIV/AIDS prevention, treatment, and surveillance activities under six active grants.

Under the Leadership Act, the President has authority to waive the withholding requirement for assistance overseen by the Southern Sudan Country Coordinating Mechanism (SSCCM) if such an action is justified by the national interest or for humanitarian reasons. This authority has been delegated to the U.S. Global AIDS Coordinator. The United States places a high priority on ensuring appropriate disbursement and expenditure of foreign development and humanitarian funding. Following consultations with the relevant Congressional committees, the U.S. Global AIDS Coordinator has determined waiver of the withholding requirement for assistance by the Global Fund to the Autonomous Government of Southern Sudan through the Global Fund SSCCM is justified for humanitarian reasons. The application of the withholding requirement of Section 202(d)(4)(A)(ii) of the Act is hereby waived with respect to such assistance, allowing for the additional contribution of \$1,162,902 to the Global Fund from the FY 2010 appropriations for the U.S. contribution to the Global Fund. This notice of waiver determination is published in the **Federal Register** in compliance with Section 202(d)(4)(A)(ii) of the Leadership Act.

DATES: *Date Effective:* January 13, 2012.

Federal Aviation Administration

Public Notice for Release of Aeronautical Property at Erie International Airport (ERI), Erie, PA

AGENCY: Federal Aviation Administration (FAA) DOT.

ACTION: Request for public comment.

SUMMARY: The Federal Aviation Administration is requesting public comment on the Erie Regional Airport Authority's request to release airport property for use by the Pennsylvania Department of Transportation (PennDOT) to construct and maintain additional roadway and drainage facilities along the west side of Asbury Road. The request contains five (5) components consisting of a permanent release of land, release of land for drainage easement, release of land for temporary construction easement, release of land for substitute right-of-way, and release of land for permanent gas line easement.

(1) Permanent Release of Land (PennDOT Right-of-Way)—0.72 Acres

The parcel is located at Erie International Airport (ERI) in Millcreek Township, Erie County, PA. The property is currently depicted on the Airport Layout Plan of record as airport property and consists of a narrow strip of land varying from 22 feet to 48 feet

in width and approximately 800 linear feet long consisting mostly of natural growth grass and vegetation bounded by Asbury Rd to the east. More specifically, the 0.72 acre parcel is located upon Parcel 4 and 5 of the airport property. The County Index Nos. are (33)039–147.00–001.00 and (33)039–148.00–001.00. The airport is requesting approval to sell this land to the PennDOT in a permanent right-of-way easement for roadway drainage improvements along the right-of-way boundary between Asbury Road and the airport property boundary. This area is not needed for aeronautical use and its use as PennDOT Right-of-Way does not limit or restrict the use of dedicated airport land for current or foreseeable aeronautical activities. Approval of this action will allow for the sale of the 0.72 acre right-of-way easement to PennDOT.

(2) Release of Land for Drainage Easement—0.014 Acres

The easement is located at Erie International Airport (ERI) in Millcreek Township, Erie County, PA. The 0.014 acre parcel is located on Parcel 1 and 5 of the airport property, Erie County Index No. 039–147.00–001.00. The Airport Authority is requesting release of this land for purposes of providing a drainage easement for construction, inspection, maintenance, repair, reconstruction, and alteration of the highway drainage facilities for Asbury Road. The easement area is on Parcel 5 and consists of undeveloped land with natural growth grass and vegetation. Asbury Road is being widened to accommodate additional anticipated traffic volume related to increased commercial development in and around the airport. This will result in an increase in impervious surface making it necessary to install new stormwater management facilities. As such, a drainage easement will be required for PennDOT to maintain stormwater facilities not located within the PennDOT Right-of-Way. The airport will be permitted to use this property, but will not be able to place any structures, create any adverse impacts to the flow of stormwater, or connect any pipes or drainage into the PennDOT system without written consent from PennDOT. This area is not needed for aeronautical use and its use as PennDOT easement does not limit or restrict the use of dedicated airport land for current or foreseeable aeronautical activities. Approval of this action will allow for the sale of the 0.014 acre drainage easement to PennDOT.

(3) Release of Land for Temporary Construction Easement—0.078 Acres

The easement is located at Erie International Airport (ERI) in Millcreek Township, Erie County, PA. The 0.078 acre area is located on Parcels 1 and 5 of the airport property, Erie County Index No. (33) 039–147.00–001.00. The Airport Authority is requesting release of this land for purposes of providing easement for construction activities outside the PennDOT Right-of-Way. This request for release of land from the Erie Regional Airport Authority is temporary and the land will revert back to the airport upon completion of the construction activities. The primary purpose of this temporary land release is to allow for the adjustment of the existing driveways on Parcel 1 of the airport to tie into Asbury Road. Parcel 5 is also temporarily impacted while Stormwater Management facilities are being constructed. The impacted land, currently consisting of asphalt paved driveways in Parcel 1 and undeveloped grass and vegetation on Parcel 5, will be restored to similar condition upon completion of the construction work. This area is not needed for aeronautical use and its use as a temporary construction easement does not limit or restrict the use of dedicated airport land for current or foreseeable aeronautical activities. Approval of this action will allow for the granting of the temporary easement consisting of 0.078 acres to PennDOT.

(4) Release of Land for Substitute Right-of-Way Utility Easement—0.198 Acres

The easement is located at Erie International Airport (ERI) in Millcreek Township, Erie County, PA. The 0.198 acre area is located along the west side of Asbury Road and is situated on Parcel 5 of the airport property on County Index No. (33) 039–147.00–001.00. The property to be released is a strip of land of natural growth grass and vegetation approximately 20' wide and running parallel along the west side of Asbury Road. The release will provide a replacement utility easement for Millcreek Township Water and Sewer Authority to construct, inspect, maintain, repair and reconstruct water line facilities along Asbury Road. The existing utility easement is located on airport property. Asbury Road is being widened by PennDOT to accommodate additional traffic volume related to increased commercial development in the vicinity of the airport. As part of the roadway project, a new water main will need to be constructed outside the limits of the pavement of the widened Asbury Road. This easement will
