

compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children From Environmental Health Risks

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This action is not a "significant energy action" under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321-4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves the revision of the enforcement period of a special local regulation in 33 CFR 100.1302(c). This rule is categorically excluded from further review under paragraph 34(h) of Figure 2-1 of the Commandant Instruction. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

[Docket No. USCG-2015-0402]

Drawbridge Operation Regulations; James River, Isle of Wight and Newport News, VA

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the James River Draw Bridge across the James River, mile 5.0, between Isle of Wight and Newport News, VA. This deviation is necessary to facilitate electrical repairs to the south tower of the bridge. This deviation allows the bridge to remain in the closed-to-navigation position.

DATES: This deviation is effective from 8 a.m. to 8 p.m. on June 8, 2015.

ADDRESSES: The docket for this deviation, [USCG-2015-0402], is

available at <http://www.regulations.gov>. Type the docket number in the "SEARCH" box and click "SEARCH". Click on Open Docket Folder on the line associated with this deviation. You may also visit the Docket Management Facility in Room W12-140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email Mr. Hal R. Pitts, Bridge Administration Branch Fifth District, Coast Guard; telephone (757) 398-6222, email Hal.R.Pitts@uscg.mil. If you have questions on viewing the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION: The Virginia Department of Transportation, who owns and operates the James River Draw Bridge, has requested a temporary deviation from the current operating regulations set out in 33 CFR 117.5, to facilitate electrical repairs on the south tower of the bridge.

Under the regular operating schedule, the James River Draw Bridge, mile 5.0, between Isle of Wight and Newport News, VA, opens on signal. The bridge is a vertical lift draw bridge and has a vertical clearance in the closed position of 60 feet above mean high water.

Under this temporary deviation, the bridge will be closed to navigation from 8 a.m. to 8 p.m. on June 8, 2015.

The James River is used by a variety of vessels including freighters, tugs, and recreational vessels. The Coast Guard has carefully coordinated the restrictions with commercial and recreational waterway users.

Vessels able to pass through the bridge in the closed position may do so at any time. The bridge will not be able to open for emergencies and there is no alternate route for vessels to pass for vessels unable to pass through the bridge in the closed position. The Coast Guard will also inform the users of the waterways through our Local and Broadcast Notice to Mariners of the change in operating schedule for the bridge so that vessels can arrange their transits to minimize any impacts caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: May 15, 2015.

Hal R. Pitts,

Bridge Program Manager, Fifth Coast Guard District.

Safety Zones, Captain of the Port New Orleans Zone

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing temporary safety zones for multiple locations and dates within the Captain of the Port New Orleans zone. These safety zones are necessary to protect persons and vessels from potential safety hazards associated with fireworks displays on or over Federal waterways. Entry into these zones is prohibited unless specifically authorized by the Captain of the Port (COTP) New Orleans or a designated representative.

DATES: This rule is effective without actual notice from May 27, 2015 until July 4, 2015. For the purposes of enforcement, actual notice will be used from April 24, 2015 until May 27, 2015.

ADDRESSES: Documents mentioned in this preamble are part of docket [USCG-2014-1069]. To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number in the "SEARCH" box and click "SEARCH." NPRM Notice of Proposed Rulemaking

A. Regulatory History and Information

On March 25, 2015, the Coast Guard published an NPRM entitled Safety Zones; Captain of the Port New Orleans Zone in the **Federal Register** (80 FR 15705). We did not receive any comments in response to the proposed rule. No public meeting was requested and none were held.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Providing a full 30 days notice is contrary to the public interest as it would delay the effectiveness of a portion of the safety zones until after the planned fireworks events. Immediate action is needed to protect vessels and mariners from the safety hazards associated with aerial fireworks displays over a waterway when large concentrations of spectators are expected. The Coast Guard did not receive any comments on the proposed rule following the publication of the NPRM. The Coast Guard will give actual notice to the public and maritime community that each safety zone will be in effect and of the enforcement periods via broadcast notices to mariners.

B. Basis and Purpose

The legal basis and authorities for this rule are found in 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05-1; 6.04-1, 6.04-6, and 160.5; Department of Homeland Security Delegation No. 0170.1, which collectively authorize the Coast Guard to establish and define safety zones.

The Coast Guard has determined that temporary safety zones are necessary to promote the safety of life on navigable waterways within the COTP New Orleans Zone during these events due to the potentially hazardous conditions caused by the fireworks and the high volume of spectators that are anticipated.

C. Discussion of the Final Rule

The Coast Guard is establishing five temporary safety zones within the Captain of the Port (COTP) New Orleans Zone between April 27, 2015 and July 4, 2015.

The events to be covered by this rule will be enforced on the respective dates listed in the table below.
