**SUPPLEMENTARY INFORMATION:** Notice of this meeting is provided as required by section 708(h)(8) of the Defense Production Act (DPA), 50 U.S.C. 4558(h)(8), and consistent with 44 CFR part 332.

The DPA authorizes the making of "voluntary agreements and plans of action" with, among others, representatives of industry and business to help provide for the national defense.<sup>1</sup> The President's authority to facilitate voluntary agreements was delegated to the Secretary of Homeland Security with respect to responding to the spread of COVID-19 within the United States in Executive Order

13911.<sup>2</sup> The Secretary of Homeland Security has further delegated this authority to the FEMA Administrator.<sup>3</sup>

On August 17, 2020, after the appropriate consultations with the Attorney General and the Chairman of the Federal Trade Commission, FEMA completed and published in the **Federal Register** a "Voluntary Agreement for the Manufacture and Distribution of Critical Healthcare Resources Necessary to Respond to a Pandemic" (Voluntary Agreement).<sup>4</sup> Unless terminated prior to that date, the Voluntary Agreement is effective until August 17, 2025, and may be extended subject to additional approval by the Attorney General after consultation with the Chairman of the Federal Trade Commission. The Agreement may be used to prepare for or respond to any pandemic, including COVID-19, during that time.

On December 7, 2020, the first plan of action under the Voluntary Agreement—the Plan of Action to Establish a National Strategy for the Manufacture, Allocation, and Distribution of Personal Protective Equipment (PPE) to Respond to COVID-19 (Plan of Action)—was finalized.<sup>5</sup> The Plan of Action established several subcommittees under the Voluntary Agreement, focusing on different aspects of the Plan of Action.

The meeting will be chaired by the FEMA Administrator or her delegate, and attended by the Attorney General or his delegate and the Chairman of the Federal Trade Commission or her delegate. In implementing the Voluntary Agreement, FEMA adheres to all procedural requirements of 50 U.S.C. 4558 and 44 CFR part 332.

**Meeting Objectives:** The objective of the meeting is to update the general public, and private industry partners, on the status of the Voluntary Agreement, PPE Plan of Action, and Plans of Action concerning Medical Devices, Medical Gases, Diagnostic Testing Kits, and Drug Products/Drug Substances.

**Meeting Closed to the Public:** By default, the DPA requires meetings held to implement a voluntary agreement or

<sup>3</sup> DHS Delegation 09052, Rev. 00.1 (Apr. 1, 2020); DHS Delegation Number 09052 Rev. 00 (Jan. 3, 2017).

<sup>4</sup> 85 FR 50035 (Aug. 17, 2020). The Attorney General, in consultation with the Chairman of the Federal Trade Commission, made the required finding that the purpose of the voluntary agreement may not reasonably be achieved through an agreement having less anticompetitive effects or without any voluntary agreement and published the finding in the **Federal Register** on the same day. 85 FR 50049 (Aug. 17, 2020).
