

When you click on the HUD agency name, you will come to a page with all the funding opportunities that are posted by HUD at that point in time. When you click on an opportunity, you will come to a page that provides a synopsis of the opportunity and which also identifies the Catalog of Federal Domestic Assistance (CFDA) Number for the Program, the Funding Opportunity Number and further down the page, a link to the full announcement. To download the application and instructions, follow the directions below, but first you must be sure you have the compatible Adobe Reader installed. HUD's 2008 applications will be using Adobe forms. To open and complete the application package you must have installed Adobe Reader 8.1.2 or higher. Adobe Reader 8.1.2 is available free and can be found on the Grants.gov Web site at [http://www.grants.gov/help/download\\_software.jsp](http://www.grants.gov/help/download_software.jsp). You will not be able to complete or submit your application if you fail to download the free Adobe Reader 8.1.2 (or higher version available on Grants.gov). Please make anyone that will be working on the Adobe forms portion of the application aware that they must download the new 8.1.2 Adobe Reader. This does not impact forms that you may save as PDF forms to your application as attachments. Adobe Reader 8.1.2 is compatible with Adobe Professional versions. However, for the newest reader to work, you must be sure that your Adobe default setting for the Reader is set to the Adobe 8.1.2 version. For information on how to set your default settings, go to [https://grants.gov/help/general\\_faqs.jsp#19](https://grants.gov/help/general_faqs.jsp#19). Follow Option #2, labeled "Set Your Computers Default to Use the Correct Version of Adobe Reader for the opening of all files with a PDF extension".

Applicants are urged to review the Adobe Reader 8.1.2 information and get the new reader installed on their computer when this Notice is published so that they are prepared for the FY 2008 NOFAs when they are published in the Spring of 2008.

**A. Application Package and Application Instructions Download.** Once you have installed Adobe Reader 8.1.2 you can download the Application Package and instructions. To download the application and instructions go to [https://apply07.grants.gov/apply/forms\\_apps\\_idx.html](https://apply07.grants.gov/apply/forms_apps_idx.html) and enter the CFDA Number, Funding Opportunity Number, or Funding Competition ID for the opportunity you are interested in; do not enter more than one criterion. If you enter more than one criterion, you will get a message that states the opportunity

cannot be found. Only enter one of the above numbers.

On the next page "Selected Grant Applications for Download," you will find the funding opportunity link to Download Instructions and Application. Additional resource information is also on this page, including a reminder to sign up for e-mail notification for changes to funding opportunity, a download link to the Adobe Reader as well as a Help link.

Click on the Download link to get to the Download page. Then proceed to download the instructions and the application. If you get an error message in opening the downloaded application, you have not properly installed the Adobe Reader 8.1.2. Contact your IT help desk or the grants.gov support desk at [Support@Grants.gov](mailto:Support@Grants.gov) by e-mail or by calling 800-518-GRANTS.

**B. Download Instructions Link.** The instructions download is a compressed file (ZIP) containing the General Section and Program Sections for the funding opportunity. It also contains forms and copies of the General Section and Program Section of HUD's NOFAs, information that you will need to submit a complete application to Grants.gov for HUD funding consideration. For each program, NOFA provides a checklist which you can use to ensure that you have completed all elements of your application. HUD's General Section provides helpful information and tips to ensure that you complete your application correctly and what to do to ensure that all your information is attached to the application. When attaching files to your application, HUD suggests that you open each attachment file and scroll down to make sure it is the complete file that you want to submit.

**C. Compatibility with Apple Macintosh computers, Microsoft Windows Vista operating system, and Microsoft Office 2007.** HUD moved to the Adobe forms application in FY 2008 because the forms are compatible with the broadest array of computer hardware and software technology currently in use by HUD's applicant/grantee community. For information on Adobe compatibility go to [http://www.grants.gov/help/download\\_software.jsp](http://www.grants.gov/help/download_software.jsp). Applicants can test if they have the software installed properly by going to <http://www.grants.gov/applicants/AdobeVersioningTestOnly.jsp>.

Questions regarding the installation of Adobe Reader 8.1.2 should be directed to the Grants.gov help desk during operating hours Monday-Friday (except Federal holidays) from 7 a.m. to 9 p.m. at 800-518-GRANTS.

Dated: February 28, 2008.

[Docket No. FR-4679-N-14]

### Multifamily Mortgage Insurance Premiums; Withdrawal of Proposal To Implement Changes in Mortgage Insurance Premiums for FY2008

**AGENCY:** Office of the Assistant Secretary for Housing—Federal Housing Commissioner, HUD.

**ACTION:** Final notice.

**SUMMARY:** On October 18, 2007, HUD published, for public comment, a notice announcing proposed changes in the mortgage insurance premiums (MIP) for certain Federal Housing Administration (FHA) multifamily mortgage insurance programs whose commitments will be issued or reissued in Fiscal Year (FY) 2008. Based on consideration of the concerns raised in the public comments, HUD has decided not to proceed with implementation of the proposed MIP increases for FY2008. The MIPs in effect during FY2006 and FY2007 will be the same rates applied to commitments issued or reissued in FY2008.

**FOR FURTHER INFORMATION CONTACT:** Eric Stevenson, Director, Policy Division, Office of Multifamily Development, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410-8000, Telephone: (202) 708-1142 (this is not a toll-free number). Hearing- or speech-impaired individuals may access these numbers through TTY by calling the Federal Information Relay Service at (800) 877-8339 (this is a toll-free number).

#### SUPPLEMENTARY INFORMATION:

##### I. Background

HUD's regulations at 24 CFR 207.252, 207.252a, and 207.254 provide that instead of setting the MIP at one specific rate for all programs, the Secretary is permitted to change an MIP program by program within the full range of HUD's statutory authority of one fourth of one percent to one percent of the outstanding mortgage principal per annum through a notice, as provided in section 203(c)(1) of the National Housing Act (the Act) (12 U.S.C. 1709(c)(1)). The regulation at 24 CFR 207.254 states that HUD will provide a 30-day period for public comment on

notices changing MIPs in multifamily insured housing programs.

On October 18, 2007 (72 FR 59150), HUD published a notice that proposed changes in MIPs for certain FHA multifamily mortgage insurance programs whose commitments will be issued or reissued in FY2008. HUD provided a 30-day public comment period which closed on November 19, 2007. HUD received approximately 179 comments, which included letters from members of Congress, trade associations and other interested members of the public. All commenters expressed opposition to the proposed changes.

Based on consideration of the concerns raised in public comments, HUD has decided not to proceed with implementation of the proposed MIP increases for FY2008. The MIPs originally published on August 30, 2005 (70 FR 51538) and in effect during FY2006 and FY2007 will be the same rates applied to commitments issued or reissued in FY2008, and are set out in Section II of this notice.

## II. FY2008 Mortgage Insurance Premiums

The mortgage insurance premiums to be in effect for FHA firm commitments

issued or reissued in FY 2008 are shown in the table below. L. 101-235 (approved December 15, 1989)) and HUD's implementing instructions to submit a certification regarding governmental assistance with all multifamily mortgage insurance applications.
